Preamble

This Charter and the procedures established hereunder are adopted to guarantee access to all who wish to join the Democratic Party of Maine, and equality to all who choose to participate in its affairs.

The responsibilities of the Democratic Party of Maine are: to urge public policies which consider the needs of all, and which recognize the rights of each; to provide candidates who are beholden only to their constituencies and to their consciences; and to speak for no one person, no one group, no one interest, but to hear and serve them all.

The needs of an individual or of a society cannot entirely be met through the political process. To the extent that individual and societal needs can be met through political activity, we resolve that for the people of Maine, the Democratic Party shall be and remain their best means.

Through these practical rules we give substance to the ideal of a political party open to every person, dominated by none.

CHAPTER 1

DECLARATION AND PARTICIPATION

100. Declaration

The Democratic Party of Maine declares this Charter to be adopted, effective upon the adjournment of the 1992 State Convention. This Charter remains in effect until amended by a subsequent State Convention or by the Democratic State Committee (DSC) in accordance with Chapter 15 of this Charter. This Charter, under the authority of Maine Democrats, as approved at the Maine State Democratic Convention, shall take precedence over any conflicting bylaws of the state, county, or municipal committees or any other entity of the Maine Democratic Party. Each subsidiary body created by this Charter shall be run in accordance with its own bylaws and rules of order, but nothing in this Charter shall be interpreted so as to allow any action contrary to the Charter of the Maine Democratic Party or actions taken by the Democratic State Convention.

110. Participation

1. The affairs of the Democratic Party of Maine shall be open to all. Discrimination on the basis of age, sexual orientation, color, economic status, ethnic identity, national origin, physical or mental handicap, race, religion, or gender identity or expression is expressly prohibited.
2. There shall be no proxy voting at any level of the Democratic Party of Maine.
3. No oath or affirmation of loyalty shall be required or used at any level of the Democratic Party of Maine.
4. The time, place, and agenda of all Democratic Party meetings and events shall be publicized as fully as possible to assure timely notice to all interested persons. Meetings shall be held in places accessible to all party members. Meetings shall begin and end at reasonable hours. As used in this Charter, written notice includes notice by e-mail to persons who have authorized such notice, provided that there are effective procedures by which addresses are periodically verified.
5. The Democratic Party of Maine shall publicize fully, and in such manner as to assure timely notice to all interested parties, a description of the legal and practical procedures for the selection of Democratic Party Officers and representatives on all levels.
6. In order that the Democratic Party of Maine be a representative party, a program of affirmative action is hereby required. It shall be the duty of all party officers to take effective steps to encourage the underrepresented, such as young people, women, and members of minority groups to seek membership on party committees and election to party office.
7. No person shall be excluded from any Democratic Party function, the conduct of which is governed by State law or by this Charter, for an inability to pay a fee. The Party may, however, charge reasonable fees to finance its functions.
8. The official records of all public meetings shall be accessible for examination and copying by any Maine Democrat. Upon approval by the DSC, the minutes of a Convention shall be kept on permanent file by the Party and available for inspection by any Maine Democrat.

120. Party Membership

Except as otherwise expressly provided by this Charter, all officers and voting members of the Democratic State Committee and of any subsidiary body created by this Charter must be voters registered in Maine and enrolled in the Democratic Party. Members elected to represent an organization or geographic unit must be members of the organization or voters registered in that geographic unit.

130. Limitations on Endorsements

1. *Primary Elections.* The Maine Democratic Party, and all state and local Party organizations, shall not endorse any candidate in a contested Democratic Party primary election. This subsection does not prohibit a Party organization from making general support services available to primary candidates.
2. *Partisan General Elections.* The Maine Democratic Party, and all state and local Party organizations, shall not endorse any non-Democratic candidate in a partisan general election if there is a Democratic candidate on the ballot.

CHAPTER 2

MUNICIPAL COMMITTEES AND CAUCUSES

200. General Requirements

Municipal Caucuses shall be conducted in each general election year in compliance with the Maine Election Code (Title 21 A M.R.S.A. §§ 311–315 as amended), this Charter, and the call to the Convention.

210. Caucuses Regulated

1. *Responsibilities of the DSC:*
 - A. The DSC shall establish a Uniform Caucus Date for the following year's municipal caucuses no later than June 1 of each odd-numbered year.
 - B. The DSC Chair shall issue the call of the Convention to the Chair of each County Committee and each Municipal Committee no later than ninety (90) days before the Uniform Caucus Date. The Uniform Caucus Date shall be at least three (3) months before the opening day of the State Convention, unless the DSC waives this requirement by a two-thirds (2/3) vote.
 - C. The DSC shall distribute caucus packets to all municipalities at least fourteen (14) days before the Uniform Caucus Date. The packets shall include registration and reporting forms, copies of the appropriate State laws and pertinent Democratic Party rules, and instructional materials for caucus Conveners and officers. The DSC shall submit draft copies of the caucus packets for review by the Rules Committee and the Credentials Committee a reasonable time in advance of the Convener training program, and no later than sixty (60) days before the Uniform Caucus Date.
 - D. For purposes of this Chapter and Chapter 3, including but not limited to caucus participation and delegate apportionment, a voter whose legal residence is in unorganized territory shall be considered a resident of the municipality where that voter is registered to vote.
2. *Responsibilities of Local Committees:*
 - A. No later than seventy-five (75) days before the Uniform Caucus Date, each County Chair shall confer with each Municipal Chair or Municipal Secretary in order to make preparations for the municipality to call the municipal caucus.
 - B. If there is no active Municipal Chair or Municipal Secretary, the County Committee shall make reasonable efforts to consult with interested Democrats within the municipality to encourage them to organize a caucus.
 - C. Each Municipal Committee shall notify the County Chair at least sixty (60) days before the Uniform Caucus Date of the time and place of the Municipal Caucus. In any municipality where the Municipal Chair or a majority of the Municipal Committee has not given notice, the County Committee shall if feasible call a caucus and appoint a Convener, making efforts to work with local Democrats to establish a suitable time and place, and ensure that adequate publicity of the caucus is given to Democrats within the municipality.
 - D. The County Committee may delegate to the County Chair or to a subcommittee the power to call caucuses and appoint Conveners in municipalities where the municipal committee has failed to do so.
3. *Caucus Convener:*
 - A. A Caucus Convener shall be responsible for the organization of each Municipal Caucus. The Convener shall be the Municipal Committee Chair or the Chair's designee, or if the Chair fails to serve or to designate a Convener, the Municipal Committee or the County Committee shall appoint a Convener.
 - B. The Convener's duties shall include:
 - (1) Selecting a time and place for the caucus and making the necessary arrangements.
 - (2) Attending caucus training scheduled by the State or County Democratic Party.
 - (3) Ensuring that the caucus is properly called to order by a resident of the municipality.
 - (4) Ensuring that the DSC has received the names and contact information for the Caucus Chair and Caucus Secretary.
 - (5) Preparing and submitting the Caucus Report if the Caucus Chair and Secretary fail to do so. If the Convener is a nonresident and no resident attends the caucus, the Convener shall report to the DSC that no caucus was held.
 - C. The Convener need not be a resident of the municipality. If multiple municipalities caucus together, they may share a Convener. A nonresident Convener may not formally call the Caucus to order, but may serve

as an officer if no resident is willing to serve, and may provide such other assistance as may be needed to conduct the business of the Caucus.

4. *Time and Place.* The Caucus shall begin between 1:00 p.m. and 8:00 p.m., on the Uniform Caucus Date. Municipal Caucuses shall be held in public places whenever possible, within or convenient to the municipality. In no event shall a caucus be held in a private home except in a municipality with fewer than one hundred (100) enrolled Democrats. A Municipal Committee may vote to hold precinct caucuses in separate locations throughout the municipality. By agreement of their Municipal Committees, or at the direction of the County Committee if none of the Municipal Committees objects, two or more municipalities may caucus together in the same location.
5. *Late Caucuses:*
 - A. A Municipal Caucus may not be held after the Uniform Caucus Date unless severe inclement weather or some other compelling reason makes it impossible to caucus on that date.
 - B. If the caucus is held within fourteen (14) days after the Uniform Caucus Date, the municipality's State Convention delegates shall be seated at the State Convention only upon the approval of the Credentials Committee.
 - C. If a caucus is held more than fourteen (14) days after the Uniform Caucus Date, the delegates elected by that caucus shall not be seated at the State Convention unless specifically exempted by a three-fourths (3/4) affirmative vote of the members of the Credentials Committee present and voting, or by a majority affirmative vote of the State Convention upon receiving the report of the Credentials Committee.

220. Notice

1. *Public Notice.* Public notice of the caucus (21 A M.R.S.A. § 311(3)) shall include, but need not be limited to:
 - A. A notice published in a newspaper of general circulation in the municipality at least three (3) and not more than seven (7) days before the caucus is to be held, or
 - B. A notice posted in a conspicuous public place in each municipal voting district at least seven (7) days before the caucus.
2. *Notice to Municipality and DSC.* In addition, a copy of the notice shall be filed with the Municipal Clerk (21 A M.R.S.A. § 311(3)(B)) and the DSC. Failure to notify the DSC of any change in the time or place of the caucus less than three (3) days before the caucus may constitute grounds for the Committee on Credentials to void the caucus.
3. *Contents of Notice.* The notice shall state the name of the Party, the time and place of the caucus, the name of the person calling it, and the availability and location of voter registration on the caucus day. In presidential election years the notice shall also state the time balloting for presidential preferences will begin and the availability of caucus registration and presidential preference declaration by mail. If the caucus is to divide by precincts, the notice shall say so and shall include the location of each precinct caucus. The notice may include a procedure for notification and rescheduling if the caucus must be postponed. If a caucus is postponed and the alternative date was not included in the original notice, a new notice must be published in accordance with this Section.

230. Caucus Procedures

1. *Membership.* Any enrolled Democrat within a municipality who attends the municipal caucus, or registers for the caucus by mail in accordance with Section 250 of this Charter, shall be a member of that caucus, unless barred by the Maine Election Code due to enrollment in another political party after the statutory deadline for changing parties. Opportunity shall be provided for new voters and unenrolled voters to enroll as Democrats at the time of the caucus.
2. *Call to Order.* The Convener, if a resident, or the Convener's resident designee shall call the caucus to order and conduct the election of the Caucus Secretary and Caucus Chair. In the Convener's absence, any resident Democrat present may call the caucus to order in accordance with the Maine Election Code.
3. *Rulings.* Any questions not covered by State Law or by this Charter shall be decided by the Chair of the Municipal Caucus or Committee. Such rulings may be overruled by a majority vote of the members present at a caucus or committee meeting.

4. *Organization; Division by Precincts.* Each Municipal Caucus shall conduct its affairs as a committee of the whole, except that in any municipality that is divided into precincts for the conduct of elections, the Municipal or County Committee may choose by majority vote, at the time the caucus is called, to divide the caucus by precincts for any matter other than the election of Municipal Committee Officers and action on Municipal Bylaws. Each precinct caucus shall elect officers *pro tempore*, and while in session shall follow the same procedures as prescribed for municipal caucuses. If a municipality is regularly divided into precincts for the conduct of municipal elections and is entitled to at least fifty (50) delegates, the caucus must divide into precincts in presidential election years to elect state convention delegates.
5. *Nominations.* Nominations for all officers and positions shall be open to all persons qualified to be members of the Municipal Caucus. The Caucus may elect a nonresident Democrat to serve as Chair or Secretary, and may elect the same person to fill both of those offices. People may nominate themselves. Nominations shall be entertained as long as any caucus member desires to make a further nomination. A person need not be present to be nominated and/or elected, as long as the person has communicated an interest in being nominated to a member of the Caucus.
6. *Municipal Committee Bylaws.* A Municipal Caucus, by majority vote, may adopt, repeal, or amend the Bylaws governing the Municipal Committee.
7. *Open Dialogue.* Every caucus member shall have a right to speak.
8. *Presidential Balloting.* In a presidential election year, any person not duly registered by mail or personally present at the time balloting for State Convention delegates and alternates begins shall be prohibited from voting. Presidential balloting may not begin until the announced time, and may not be delayed unreasonably beyond the announced time.

240. Caucus Reports

The DSC shall furnish, to each Municipal Caucus, forms for the accurate reporting of caucus activities.

1. *Required Minimum Contents.* The report shall include, at a minimum, the names of caucus participants and officers, the names of the State Convention Delegates and Alternates and County Committee members who have been elected at the caucus, and in Presidential years, the Presidential preference (or uncommitted status) of each caucus participant, Delegate, and Alternate, the final caucus vote for each preference group, and the number of Delegate and Alternate positions allocated to each preference group.
2. *Option for Reporting to Counties.* Each County Chair shall notify the DSC office at least one month before the Uniform Caucus Date whether the County Committee will be responsible for collecting caucus reports on behalf of all municipalities within the county. In counties that choose this process, the caucus reports shall be sent to the address designated by the County Committee, which shall forward the reports to the DSC office within seven (7) days after their receipt. Otherwise, the reports shall be sent to the DSC at the address it designates.
3. *Reporting Process.* Within seven (7) days after a Municipal Caucus, the Caucus Chair shall forward completed caucus report forms to the designated address. If any Municipal Caucus does not file a report within seven (7) days after the Municipal Caucus, the DSC or the County Chair shall promptly inquire of the Caucus Chair, the County Chair, or the Caucus Convener as to its availability. If multiple caucuses have been scheduled to meet on a consolidated basis, the chair of the host caucus shall report for any municipality that does not elect its own Caucus Chair.
4. *Access to Caucus Data.* The DSC shall ensure that the information collected through caucus reports is promptly made available to municipal and county committees in a usable electronic format, and shall provide a hard copy or electronic copy of the caucus report at the request of the municipal or county chair.
5. *Time for Challenges.* Unless the completed municipal caucus report is challenged within fourteen (14) days following receipt of the report by the DSC office, it shall become the official record of that caucus.
6. *Record Retention.* The DSC shall retain the original caucus reports until at least the next Uniform Caucus Date. When the DSC concludes the retention period, it shall give at least thirty (30) days' notice to the County Committees. Each County Committee shall have the option to take custody of the caucus reports for that county; otherwise, the DSC may discard the reports.

250. Caucus Registration by Mail

1. In Presidential election years, any enrolled Democrat who expects to be eligible to participate in a municipal caucus, but does not expect to be able to attend, may apply to State Party Headquarters to register for the caucus and declare a presidential preference by mail.
2. Applications may be sent on or after January 1. The application must be made by the individual requesting to register by mail or by a member of the same household. Applications submitted in bulk or by organizations shall not be accepted. A voter may apply by completing a paper form provided by the State Party and delivering it by mail, in hand, or by fax, or by sending an e mail or making a telephone call providing the applicant's name as it appears on the voter roll, the address at which the applicant is registered to vote, and the mailing address to which the registration form will be sent. Applicants shall be requested to provide a telephone number and e-mail address but shall be advised that this information is optional. The State Party shall maintain a record of all requests received. If an application is submitted in a municipality for which no caucus has been convened, the State Party shall promptly notify the County Committee and direct it to call a caucus.
3. The State Party shall prepare a uniform registration-by-mail form, which shall incorporate the contents of the registration form used for in-person registrants, together with the following additional material:
 - A. Clear instructions on how to complete and submit the form, including the deadline by which the form must be received at State Party Headquarters;
 - B. In a prominent place on the form, a line to write the name of the Presidential candidate the voter prefers, or the word "Uncommitted."
 - C. A question asking whether the voter wishes to run for State Convention delegate.
 - D. A reminder that any voter who does not attend the caucus in person will be unable to participate in the business of the caucus, including the opportunity to change presidential preferences and the opportunity to vote for delegates, alternates, and party officers.
 - E. An oath, to be signed by the voter, in the following form: "I, [name] , swear that I am a registered and enrolled voter in this voting district, that I am a member of the party holding this caucus, and that I have not been enrolled in any other party in this municipality within the last 15 days. I understand that falsely swearing this oath of eligibility is a criminal act under the Maine Election Code, 21-A M.R.S.A. § 314(3)."
4. In order to be valid, the signed registration form must be returned to State Party Headquarters no later than 5:00 p.m. on the Wednesday immediately preceding the Uniform Caucus Date, and the voter must be on record as having made a request to register by mail.
5. The State Party shall transmit all mail registration forms which are not obviously void to the respective Caucus Conveners in a manner that ensures that they will be available for the caucuses.
6. Any Democrat who is eligible to participate in a municipal caucus and who has submitted a registration form to State Party Headquarters in compliance with this Section shall be deemed a member of that caucus, whether or not physically in attendance, and shall have the right to be counted in the allocation of delegates among presidential preference groups and all other rights that do not depend on personal presence at the time a particular action is taken by the caucus.

260. Municipal Committees

1. *Local Option.* The Democrats within a municipality may adopt provisions in their municipal bylaws that establish an alternative method of election, term of office, or duties for the Municipal Committee, and in the event of a conflict with this Charter, such provisions shall be controlling to the extent required by the Maine Election Code.
2. *Membership.* Any enrolled Democrat resident in the municipality who requests membership to the Municipal Committee Chair or other presiding officer, shall thereby become a member of the Municipal Committee until the next biennial caucus, unless the member resigns or ceases to be eligible. At each Municipal Caucus, the Chair shall solicit applications for Municipal Committee membership.
3. *Officers.* Municipal Committees shall elect a Chair, a Secretary, and such other officers as they may consider necessary. The election shall be held at the biennial caucus or at such other meeting as the Municipal Committee Bylaws so provide. Such officers shall be elected for two (2)-year terms. A Municipal Committee, by majority vote, may fill any vacancy.

4. *Removal.* An officer or member of a Municipal Committee may be removed at a meeting called expressly for that purpose. Written notice must be given to all members of the Committee at least seven (7) days before the meeting. Removal shall require the approval of two thirds (2/3) of the Committee members present and voting.
5. *Notice.* Whenever possible, each Committee member shall be given at least seven (7) days' notice and a written agenda before any Committee meeting.
6. *Meetings by Request.* Upon receipt of a written request signed by any five (5) enrolled Democrats within the municipality, a Municipal Committee Chair or other presiding officer shall within five (5) days call a meeting whose purposes shall be limited to the matters mentioned in the written request. The meeting shall be scheduled at a time that allows broad participation and at least seven (7) days' advance written notice to members, unless a *bona fide* emergency requires immediate action. If the Municipal Committee Chair or other presiding officer fails to call the meeting as requested, the County Chair shall call a meeting as prescribed above.

CHAPTER 3

ELECTION OF STATE CONVENTION DELEGATES AND ALTERNATES

300. General Provisions

1. *Apportionment.* Each Municipal Caucus shall elect delegates and alternates to the State Convention, apportioned among municipalities in proportion to the votes cast for the Democratic candidate for President or Governor in the general election preceding the Convention. The number of delegate positions allocated to a municipality shall be 3500 times the vote in the municipality divided by the total statewide vote, rounded to the nearest whole number but no less than one. Any fractional remainder of exactly one-half shall be rounded upward. The official calculation shall be done using a spreadsheet or similar computer process, using sufficient precision to avoid the possibility of roundoff error.
2. *Gender Balance.* To the extent practicable, the delegation shall be gender balanced.
3. *Alternates.* There shall be the same number of alternate position as delegate positions. At the municipal or precinct caucus, when the alternates are elected, priorities shall be assigned to the alternates by random drawing. There shall be separate pools in Presidential years for each preference group.
4. *Apportionment by Precincts.* When delegates and alternates are elected at the precinct level, delegates and alternates shall be apportioned among precincts based upon the percentage of the municipality's last vote for the Democratic candidate for President or Governor which was cast within that precinct. If this is not possible, delegates and alternates shall be allocated based upon the percentage of the municipality's Democrats who reside within that precinct.

310. Delegate Selection in Presidential Election Years

1. *Presidential Preference.* Delegates and alternates shall be elected on the basis of their presidential preference in Presidential election years.
2. *Delegate Selection Plan.* Municipal Caucuses must comply with applicable provisions of the Delegate Selection Plan adopted by the DSC.
3. *Allocation Between Preference Groups.* The number of State Convention delegate positions that each presidential preference shall receive shall be determined by the percentage of caucus participants favoring that preference, without requiring any predetermined threshold percentage. The procedure for allocating delegates and alternates shall be as follows. The Chair of the Caucus shall:
 - A. announce the number of eligible Democrats present at the caucus or duly registered by mail and the number of Delegates to be elected;
 - B. count and physically divide those in attendance, and the registration forms of those who are absent, according to presidential preference, including the category "uncommitted." If the intended presidential preference of a participant who has registered by mail cannot reasonably be ascertained, that participant shall be counted as uncommitted;

- C. announce the count, and the number of delegates each preference would be entitled to if there are no changes in preference, and then allow a brief caucus period for movement among the preferences, advising caucus participants that if they are elected as Delegates representing a presidential candidate, they will be obligated to act in good faith as representatives of the groups that elected them;
- D. determine the number of delegates assigned to each preference by multiplying the percentage supporting that preference by the total number of delegates to be elected from the municipality, ward, or precinct then voting, assigning delegates according to the whole number then earned, and then assigning delegates in order to those preferences with the largest remaining fractions until the total number of delegates apportioned to a municipality, ward, or precinct has been assigned. Any ties will be decided by a public coin toss;
- E. send each preference group to caucus separately and to return with its choice of Delegate(s) and Alternate(s).

320. Filling Vacancies

1. *Resignation or Removal of Delegates.* A delegate may submit a written resignation to State Democratic Party Headquarters, either by e-mail or by hard copy, at any time before the Convention. If Headquarters receives written notice giving the reason that a delegate is no longer eligible to serve, the notice shall have the same effect as a resignation unless it is disputed by the delegate, in which case it shall be considered a challenge. Headquarters shall provide an e-mail address and a postal address for submitting resignations, and shall post the addresses on the State Party website and notify all delegates, alternates, and municipal and county chairs. Headquarters shall send notice of all resignations, removals, and replacements within five (5) days to the former delegate, the new delegate, the municipal chair, and the county chair.
2. *Replacement by Alternate from the Municipality.* If a delegate position becomes vacant for any reason before the Convention, and there is an eligible alternate from the same municipality, the vacancy shall be filled by the eligible alternate with the highest priority. An eligible alternate is an alternate who would not create or increase a gender imbalance within the municipal delegation and, if it is a Presidential year, belongs to the same preference group to which the vacant position has been allocated.
3. *Vacancies Filled at Local Meetings.* If a Municipal Caucus fails to fill one or more allocated delegate or alternate positions, or if a vacancy occurs in an alternate position or in a delegate position for which there is no eligible alternate from the same municipality, the vacancy may be filled according to the following procedures:
 - A. One or more municipal-level meetings may be held at any time up to one month after the Uniform Caucus Date to fill vacancies in delegate or alternate positions that have been allocated to that municipality. One or more county-level meetings, or regional-level meetings of contiguous municipalities within a county, may be held at any time between one month after the Uniform Caucus Date and fourteen (14) days before the Convention to fill any remaining vacancies in delegate or alternate positions that have been allocated to municipalities within that county or region.
 - (1) In non-Presidential years, a municipal-level or county-level meeting is a meeting of the Municipal or County Committee. In lieu of holding separate municipal-level meetings, two or more municipal committees within a county may agree to meet jointly to fill vacancies on a regional level and shall promptly notify the county committee if they intend to do so. In lieu of holding a county-wide meeting, a county committee may divide the county into regions and establish subcommittees to fill vacancies within each region.
 - (2) In Presidential years, the meetings shall be conducted in the following manner:
 - (a) The meetings shall be meetings of all delegates and alternates within the county or municipality.
 - (b) In lieu of holding a county-wide meeting, the county chair may establish one or more regions within the county to meet at a regional level.
 - (c) At the meeting, each preference group shall meet separately in breakout sessions to fill the delegate and alternate vacancies that have been allocated to that preference group.
 - (d) If the local party chair fails to call a meeting, a preference group's designated campaign liaison may call a municipal-level, regional-level, or county-level meeting of that preference group, or if the chair and campaign liaison both fail to do so, any delegate or alternate from the municipality or county pledged to that Presidential candidate may call a municipal-level or county-level meeting for that preference group.

- (e) At least ten (10) days' written notice of all meetings convened pursuant to this Paragraph shall be given to the DSC and, as applicable, to all delegates and alternates in the preference group within the relevant geographic unit, to all municipal chairs within the relevant geographic unit, and to the county chair. Except for meetings called by a Presidential candidate's designated campaign liaison, notice shall be given to all designated campaign liaisons at least three (3) business days before the meeting is called. Entitlement to notice shall be determined on the basis of records available from the municipal chair, from the county chair, or from State Party Headquarters.
 - (3) The DSC shall develop reporting forms and procedures to ensure prompt and accurate reporting, which shall be conducted according to procedures substantially similar to those required by Section 240 of this Charter. The report shall include an attestation that timely notice was given to all eligible participants.
 - B. To be elected to an alternate or delegate position under this Subsection, a person must be an enrolled Democrat who has not been enrolled in any other political party at any time after a date fifteen (15) days before the Uniform Caucus date and who has not been an unenrolled voter at any time after the Uniform Caucus date. In Presidential years, except for uncommitted positions, the person chosen must be a *bona fide* supporter of the candidate to whom the position is allocated.
 - C. Preference shall be given first to Democrats in the same municipality, and then to Democrats in a nearby municipality. For delegate vacancies, preference shall be given to incumbent alternates, consistent with gender balance and affirmative action goals.
 - D. The names of all delegates and alternates chosen pursuant to this Subsection, and their contact information if available, shall be communicated in writing to the Municipal Chairs of the municipality where the delegate or alternate resides and the municipality the delegate or alternate represents, the County Chair, and State Headquarters, within five (5) days after they are chosen. All delegates and alternates chosen pursuant to this Subsection shall be subject to acceptance by the Credentials Committee.
4. *Vacancies Filled at the Convention.* A delegate who does not intend to attend the State Convention is encouraged to alert the State Headquarters and the Credentials Committee Chair of the expected absence, which shall have the effect of resigning the delegate's position. At the time registration closes at the Convention in accordance with Subsection 610(2) of this Charter, the Credentials Committee may replace all unregistered delegates with available alternates, who shall be selected to serve as delegates as follows:
- A. Alternates shall be placed in a pool from which names shall be selected by lot or at random. In order of priority, pools shall be created by precinct, municipality, or county; every attempt should be made to maintain gender balance. The Party may establish procedures for assigning a random number to each alternate in advance of the Convention in order to facilitate an orderly and efficient promotion process.
 - B. In Presidential years, separate pools shall be established for each preference group.
 - C. If a delegate cannot be selected in this manner, the seat shall remain vacant.

CHAPTER 4

COUNTY COMMITTEES

400. Membership

Every County Committee shall consist of representatives from each municipality within that county, together with such *ex officio* or at-large members, if any, as may be specified in County Committee bylaws. A municipality is herein defined as a city, town, or plantation.

- 1. *Election.* Each biennial caucus shall elect members to serve on the County Committee. County Committee members shall assume office as soon as elected and serve for two-year terms or until their successors are elected.
- 2. *Membership.* Each Municipal Committee shall be entitled to a minimum of three (3) members on the County Committee, one of whom shall be the Municipal Committee Chair. The number of additional members to be elected from each municipality shall be determined in accordance with County Committee bylaws. The Vice Chair or a designee of the Municipal Committee may serve as an alternate for the Municipal Committee Chair at County Committee meetings, with full voting rights. When possible, the County Committee members of each municipality shall be gender balanced.

3. *Vacancies.* Vacancies in a County Committee may be filled as specified in the County Committee bylaws.
4. *Officer Removal.* An officer of a County Committee may be removed at a meeting called expressly for that purpose. Written notice must be given to all members of the Committee at least seven (7) days prior to the meeting. Removal shall require the approval of two thirds (2/3) of the Committee members present and voting.
5. *Member Removal.* Any County Committee member representing a municipality may be removed by the Municipal Committee, and any other County Committee member may be removed by the County Committee. Removal shall require a vote of two thirds (2/3) of the Committee members present at a meeting called for that purpose with at least seven (7) days' advance written notice.
6. *Bylaws.* Each County Committee shall file a copy of its most current bylaws, or a statement verifying that the copy most recently filed is still current and accurate, at state party headquarters within sixty (60) days after the biennial municipal caucuses. Copies of any amendments shall be filed within thirty (30) days after adoption by the County Committee.
7. *Reporting of election results.* Each county committee shall notify the DSC Secretary and Executive Director in writing of the results of elections for County Chair and the County Chair's DSC alternate, for members of the Committees on Rules, Platform, and Credentials, and to fill any DSC vacancies. This notification shall be no more than fourteen (14) days after the election was conducted, and shall include contact information of those elected.

410. Meetings

1. *County Caucuses.* For information on County Caucuses held at the State Conventions, see Section 650 of this Charter.
2. *Meetings by Request.* Upon receipt of a written request signed by any five (5) County Committee members, a County Committee Chair shall, within thirty (30) days, call a meeting to discuss any business mentioned in the written request. Whenever a County Committee meeting is held upon request, a written notice must be given to all members of the Committee at least seven (7) days prior to the meeting.

When a number of challenges are set aside to be resolved individually, the first challenge to be voted on shall be selected by random draw, and the remaining challenges shall be voted on in alphabetical order by municipality from that point forward.

- G. The report of the Committee on Credentials on each challenge must be approved by a majority vote of the State Convention before a challenged Delegate or Alternate may participate in the State Convention. If the number of challenges is large enough that the unchallenged Delegates might not be representative of the State Convention as a whole, the Delegates with favorable recommendations from the Committee on Credentials shall be seated on a provisional basis pending the decisions on their respective challenges, but provisionally seated Delegates may not vote on the challenges to which they are parties.

8. *Election:*
 - A. *Declaration of Support.* All Delegates participating in the election of National Convention delegates and alternates shall declare either their support for a specific presidential candidate or their uncommitted status, on forms that shall be distributed to all Delegates upon registration and to all Alternates if and when promoted to Delegate. A Delegate has the right to file a statement of support for any candidate, or to declare himself or herself “uncommitted”; however, a Delegate elected to represent a candidate who is still actively in the race should be mindful when making this decision that they were elected to represent specific constituencies. A declaration of support may be filed at the time of registration, and may be filed or replaced at any time up to the close of registration.

 - B. Persons named under national Democratic Party Rules as Unpledged Party Leader and Elected Official Delegates are required at the opening of the State Convention to inform the Chair of the Democratic State Committee regarding their Presidential Preference for their first ballot votes at the National Democratic Party Convention, for which the Delegate shall be obligated to vote on the first ballot. Based on those stated preferences, which shall be made public, the Chair will reallocate the at-large (and, if

necessary, the district-level) pledged delegates allocated to each Presidential Candidate so as to maintain a proportional distribution of both elected and Unpledged Party Leader and Elected Official Delegates that fairly reflects Presidential Candidate preferences demonstrated in the signed statements of support filed by State Convention delegates, with rounding necessary to achieve whole delegate votes in favor of the Presidential Candidate with the most overall signed statements of support. If at the time of commencement of the National Democratic Party Convention a Presidential Candidate has already secured the nomination by winning sufficient pledged delegates to constitute a majority of all delegates, or because all other Presidential Candidates have conceded, Unpledged Party Leader and Elected Official Delegates shall be free to cast their first ballot vote without restriction.

670. Election of Democratic National Committee Members

1. *Nomination.* Any Maine Democrat may be a candidate to represent Maine on the Democratic National Committee. In order to submit an amendment to the Convention without the recommendation of the Committee on Rules, the proponent must obtain the signatures of at least thirty-five (35) Delegates and/or Alternates and submit the petition in accordance with Subsection 630(5). The DSC shall provide copies of all amendments proposed by petition to all Delegates and Alternates with their registration materials.

3. *Amendments Between Conventions.* On motion by any member of the DSC, or on presentation in a report by the Committee on Rules or the Executive Committee, the State Committee may amend this Charter between Conventions, by a two-thirds (2/3) vote, provided that:
 - A. the amendment does not act to defeat an action taken by the preceding State Convention in voting to adopt or reject a proposed amendment;
 - B. the proposal has been considered and reported on by the Committee on Rules, or the Committee on Rules has been given a reasonable time to report on the proposal and has failed to do so;
 - C. each DSC member has been sent, at least seven (7) days before the meeting when the amendment is to be adopted, the exact wording of the proposed amendment and a copy of the report of the Committee on Rules; and
 - D. at least one half (1/2) of the members of the DSC are in attendance.
4. *Effective Date.* The State Convention may, by vote of two-thirds (2/3) of the delegates present and voting, specify that an amendment shall take effect immediately. Otherwise, unless the amendment by its terms specifies a later effective date, an amendment is effective immediately upon adjournment of the State Convention or State Committee meeting at which the amendment is adopted. An amendment adopted by the State Committee but repealed by the subsequent State Convention is repealed immediately.
