## **CAUCUS RULES**

### **200. General Requirements**

Municipal Caucuses shall be conducted in each general election year in compliance with the Maine Election Code (Title 21A M.R.S.A. §§ 311–315 as amended), these Rules, and the call to the Convention.

### **210. Caucuses Regulated**

#### *1. Responsibilities of the DSC*

- A. The DSC shall establish a Uniform Caucus Date for the following year’s municipal caucuses no later than June 1 of each odd-numbered year.
- B. The DSC Chair shall issue the call of the Convention to the Chair of each County Committee and each Municipal Committee no later than ninety (90) days before the Uniform Caucus Date. The Uniform Caucus Date shall be at least three (3) months before the opening day of the State Convention, unless the DSC waives this requirement by a two-thirds (2/3) vote.
- C. The DSC shall distribute caucus packets to all Conveners at least fourteen (14) days before the Uniform Caucus Date. The packets shall include registration and reporting forms, copies of the appropriate State laws and pertinent Democratic Party rules, and instructional materials for caucus Conveners and officers. The DSC shall submit draft copies of the caucus packets for review by the Rules Committee and the Credentials Committee a reasonable time in advance of the Convener training program, and no later than sixty (60) days before the Uniform Caucus Date.
- D. For purposes of this Chapter and Chapter 3, including but not limited to caucus participation and delegate apportionment, a voter whose legal residence is in unorganized territory shall be considered a resident of the municipality where he or she is registered to vote.

## 2. Responsibilities of Local Committees

- A. No later than seventy-five (75) days before the Uniform Caucus Date, each County Chair shall confer with each Municipal Chair or Municipal Secretary in order to make preparations for the municipality to call the municipal caucus.
- B. If there is no active Municipal Chair or Municipal Secretary, the County Committee shall make reasonable efforts to consult with interested Democrats within the municipality to encourage them to organize a caucus.
- C. Each Municipal Committee shall notify the County Chair at least sixty (60) days before the Uniform Caucus Date of the time and place of the Municipal Caucus. In any municipality where the Municipal Chair or a majority of the Municipal Committee has not given notice, the County Committee shall if feasible call a caucus and appoint a Convener, making efforts to work with local Democrats to establish a suitable time and place, and ensure that adequate publicity of the caucus is given to Democrats within the municipality.
- D. The County Committee may delegate to the County Chair or to a subcommittee the power to call caucuses and appoint Conveners in municipalities where the municipal committee has failed to do so.

## 3. Caucus Convener

- A. A Caucus Convener shall be responsible for the organization of each Municipal Caucus. The Convener shall be the Municipal Committee Chair or the Chair's designee, or if the Chair fails to serve or to designate a Convener, the Municipal Committee or the County Committee shall appoint a Convener.
- B. The Convener's duties shall include:
  - (1) Selecting a time and place for the caucus and making the necessary arrangements.
  - (2) Attending caucus training scheduled by the State or County Democratic Party.
  - (3) Ensuring that the caucus is properly called to order by a resident of the municipality.
  - (4) Ensuring that the DSC has received the names and contact information for the Caucus Chair and Caucus Secretary.
  - (5) Preparing and submitting the Caucus Report if the Caucus Secretary fails to do so. If the Convener is a nonresident and no resident attends the caucus, the Convener shall report to the DSC that no caucus was held.
- C. The Convener need not be a resident of the municipality. If multiple municipalities caucus together, they may share a Convener. A nonresident Convener may not formally call the Caucus to order, but may serve as an officer if no resident is willing to serve, and may provide such other assistance as may be needed to conduct the business of the Caucus.

4. *Time and Place.* The Caucus shall begin between 1:00 p.m. and 8:00 p.m., on the Uniform Caucus Date. Municipal Caucuses shall be held in public places whenever possible, within or convenient to the municipality. In no event shall a caucus be held in a private home except in a municipality with fewer than one hundred (100) enrolled Democrats. A Municipal Committee may vote to hold precinct caucuses in separate locations throughout the municipality. By agreement of their Municipal Committees, or at the direction of the County Committee if none of

the Municipal Committees objects, two or more municipalities may caucus together in the same location.

#### 5. *Late Caucuses*

- A. A Municipal Caucus may not be held after the Uniform Caucus Date unless severe inclement weather or some other compelling reason makes it impossible to caucus on that date.
- B. If the caucus is held within fourteen (14) days after the Uniform Caucus Date, the municipality's State Convention delegates shall be seated at the State Convention only upon the approval of the Credentials Committee.
- C. If a caucus is held more than fourteen (14) days after the Uniform Caucus Date, the delegates elected by that caucus shall not be seated at the State Convention unless specifically exempted by a three-fourths (3/4) affirmative vote of the members of the Credentials Committee present and voting, or by a majority affirmative vote of the State Convention upon receiving the report of the Credentials Committee.

1. *Public Notice.* Public notice of the caucus (21-A M.R.S.A. § 311(3)) shall include, but need not be limited to:

- A. A notice published in a newspaper of general circulation in the municipality at least three (3) and not more than seven (7) days before the caucus is to be held, or
- B. A notice posted in a conspicuous public place in each municipal voting district at least seven (7) days before the caucus.

2. *Notice to Municipality and DSC.* In addition, a copy of the notice shall be filed with the Municipal Clerk (21A M.R.S.A. § 311(3)(B)) and the DSC. 3. *Contents of Notice.* The notice shall state the name of the Party, the time and place of the caucus, the name of the person calling it, and the availability and location of voter registration on the caucus day. In presidential election years the notice shall also state the time balloting for presidential preferences will begin and the availability of caucus registration and presidential preference declaration by mail. If the caucus is to divide by precincts, the notice shall say so and shall include the location of each precinct caucus. The notice may include a procedure for notification and rescheduling if the caucus must be postponed. If a caucus is postponed and the alternative date was not included in the original notice, a new notice must be published in accordance with this Section.

### **230. Caucus Procedures**

1. *Membership.* Any enrolled Democrat within a municipality who attends the municipal caucus, or registers for the caucus by mail in accordance with Section 250 of these Rules,

2. *Call to Order.* The Convener, if a resident, or the Convener's resident designee shall call the caucus to order and conduct the election of the Caucus Secretary and Caucus Chair. In the Convener's absence, any resident Democrat present may call the caucus to order in accordance with the Maine Election Code.

3. *Rulings.* Any questions not covered by State Law or by Party Rules shall be decided by the Chair of the Municipal Caucus or Committee. Such rulings may be overruled by a majority vote of the members present at a caucus or committee meeting.

4. *Organization; Division by Precincts.* Each Municipal Caucus shall conduct its affairs as a committee of the whole, except that in any municipality that is divided into precincts for the conduct of elections, the Municipal or County Committee may choose by majority vote, at the time the caucus is called, to divide the caucus by precincts for any matter other than the election of Municipal Committee Officers and action on Municipal Bylaws. Each precinct caucus shall elect officers *pro tempore*, and while in session shall follow the same procedures as prescribed for municipal caucuses. If a municipality is regularly divided into precincts for the conduct of municipal elections and is entitled to at least fifty (50) delegates, the caucus must divide into precincts in presidential election years to elect state convention delegates.

5. *Nominations.* Nominations for all officers and positions shall be open to all persons qualified to be members of the Municipal Caucus. The Caucus may elect a nonresident Democrat to serve as Chair or Secretary, and may elect the same person to fill both of those offices. A person may nominate himself or herself. Nominations shall be entertained as long as any caucus member desires to make a further nomination. A person need not be present to be nominated and/or elected, as long as the person has indicated to a member of the Caucus that he or she is interested in being nominated.

Unless the completed municipal caucus report is challenged within fourteen (14) days following receipt of the report by the DSC office, it shall become the official record of that caucus. If multiple caucuses have been scheduled to meet on a consolidated basis, the chair of the host caucus shall report for any municipality that does not elect its own Caucus Chair. A voter may apply by completing a paper form provided by the State Party and delivering it by mail, in hand, or by fax, or by sending an email or making a telephone call providing the applicant's name as it appears on the voter roll, the address at which the applicant is registered to vote, and the mailing address to which the registration form will be sent.   - B. In a prominent place on the form, a line for the voter to write the name of the Presidential candidate he or she prefers, or the word "Uncommitted."
  - C. A question allowing the voter to indicate whether he or she wishes to run for State Convention delegate.

6. Any Democrat who is eligible to participate in a municipal caucus and who has submitted a registration form to State Party Headquarters in compliance with this Section shall be deemed a member of that caucus, whether or not he or she is physically in attendance, and shall have the right to be counted in the allocation of delegates among presidential preference groups and all other rights that do not depend on personal presence at the time a particular action is taken by the caucus.
