DELEGATE SELECTION PLAN
FOR THE 2020 NATIONAL DEMOCRATIC CONVENTION

SECTION I

INTRODUCTION AND DESCRIPTION OF DELEGATE SELECTION PROCESS

A. INTRODUCTION

1. Maine has a total of 32 delegates and 2 alternates. (Call I & Appendix B)

2. The delegate selection process is governed by the Charter and Bylaws of the Democratic Party of the United States, the Delegate Selection Rules for the 2020 Democratic National Convention (Rules), the Call for the 2020 Democratic National Convention (Call), the Regulations of the Rules and Bylaws Committee for the 2020 Democratic National Convention (Regs.), the Maine Democratic Party Charter (MDP), the Maine election code (Title 21-A MRSA), and this Delegate Selection Plan. (Call II.A; MDP 660(1))

3. Following the adoption of this Delegate Selection Plan by the Democratic State Committee (MDP 660(1)), which is the supreme governing body of the Maine Democratic Party when the State Convention is not in session (MDP 800(3)), it shall be submitted for review and approval to the DNC Rules and Bylaws Committee (“RBC”). The State Party Chair shall be empowered to make any technical revisions to this document to ensure its full compliance with Party rules, as required by the RBC to correct any omissions and/or deficiencies as found by the RBC. The State Party Chair shall make such corrections and resubmit the Plan to the RBC within 30 days after receiving notice of the RBC’s findings. (Regs. 2.5, 2.6 & 2.7)

4. Once the RBC has found this Plan in Compliance, any amendment to the Plan by the Maine Democratic Party must be submitted to and approved by the RBC before it becomes effective. (Reg. 2.9)

B. DESCRIPTION OF DELEGATE SELECTION PROCESS

2. Municipal caucuses will be held on March 8, 2020, to elect delegates to the State Convention to be held on May 30, 2020. Those State Convention delegates will be pledged to presidential candidates according to results of their respective caucuses, and not based on the results of the presidential primary held on March 3.

3. State convention delegates will elect national convention delegates in proportion to the preferences set by Maine Democrats in the presidential primary.

4. Maine will use a proportional representation system for apportioning delegates to the 2020 Democratic National Convention. The presidential primary will determine the apportionment of delegates to the National Convention, based on voters’ choices, among all candidates meeting a 15 percent threshold requirement. If no presidential candidates receive 15 percent of the vote in the primary, the threshold will be half the percentage of the vote received by the frontrunner. (Rules 2.K.(5) & 14.B; 14.F, Reg. 4.29; MDP 310 & 660(5)(C)*; 21-A MRSA §§ 1(27-C)(E) & 723-A(5-B))
5. Voter Participation in Process

a. Participation in Maine’s delegate selection process is open to all registered voters who are enrolled in the Democratic Party. Any resident of a municipality may register to vote in that municipality at any time, including the day the presidential primary or the caucus. They may declare their enrollment in a political party at the time they first register to vote in that municipality or at any later time. A resident of a municipality who is registered in Maine and enrolled in another political party must, by state law, change enrollment to Democratic at least 15 days before the primary or the municipal caucus in order to be eligible to participate in the primary or caucus. (21-A MRSA §144(3)) Voters who are newly registered in Maine or who are not enrolled in any party may enroll as Democrats at any time, including the day of the primary or caucus, and be eligible to participate in the primary or caucus. (Rules 2.A & 2.C; Reg. 4.3; 21-A MRSA §§ 111, 121 et seq.) The primary election, the municipal caucuses, the State Convention, and all meetings held to fill delegate vacancies are scheduled at dates, times, and publicly accessible places designed to encourage the participation of all Democrats, with due consideration to religious observations and other events that could significantly affect participation. (Rule 3.A; Reg. 4.5)

b. All Maine citizens who will be at least 18 years old on the date of the general election are eligible to register to vote and to participate fully in the Democratic Party’s nominating process. (21-A MRSA §111-A)

c. The State of Maine and the Maine Democratic Party are committed to a secure election process that makes the process of voting transparent and fraud-proof by putting all aspects of it under public control, including the use of open-source ballot-handling software, paper ballots, and an effective auditing process. (Rule 2.H; MDP Platform D(7))

(1) The State of Maine maintains secure and accurate state voter registration rolls, so that all registered voters have their personal information protected and secure; (Rule 2.H.1; 21-A MRSA §196-A)

(2) The State of Maine implements transparent and accurate voter registration list maintenance procedures that comply with federal requirements and ensure that every eligible voter stays on the rolls; (Rule 2.H.2; 21-A MRSA §§ 180–182, 194, 221–222; Me. Sec. State Rule 505)

(3) The State of Maine centrally procures and leases a uniform digital precinct tabulating system using optical scanners. These are currently provided to a majority of municipalities representing a large majority of Maine’s voters, at no cost to the municipality except to the extent that the municipality chooses to use them for its local elections. An RFP is in preparation for the 2020–2024 cycle to upgrade the scanners and provide them to all municipalities with more than 500 voters; (Rule 2.H.3)

(4) No municipality within the State of Maine has used direct recording electronic systems since the 1990s. All systems, including the accessible electronic ballot-marking system, use paper ballots. Furthermore, Maine law expressly requires that if a direct recording system were used, it must have a voter-verified and auditable paper record; (Rule 2.H.4; 21-A MRSA §§ 812(10))

(5) The State of Maine requires all voting systems to have capabilities for effective risk-limiting post-election audits, and all recounts must compare the paper and electronic records. No anomalies in tabulation have been found in any of the recounts of optically scanned ballots that have been conducted; (Rule 2.H.5; 21-A MRSA §§ 808(12) & 812(10))
The State of Maine ensures that all voting systems have recognized security measures; (Rule 2.H.6; 21-A MRSA §§ 609, 809, 809-A, 812, & 844) and

The State of Maine requires the use of accessible and secure voting machines that make it possible for individuals with disabilities to vote securely and privately. (Rule 2.H.7; 21-A MRSA §§ 1(47-B), 630, 671(2), & 808(1-A))

d. In accordance with the Democratic Party’s requirement to assess and improve participation with respect to presidential preference and the delegate selection process, the State of Maine and the Maine Democratic Party are committed to year-round voter protection programs to support educational, administrative, legislative, and litigation-based efforts to protect and expand the vote and advance election fairness and security. (Rule 2.I.1; MDP Platform D(6), D(27), & F(3))

The State of Maine has expanded access to voting through measures including no-excuse absentee voting and same-day voter registration. Absentee ballots may be cast in the presence of the municipal clerk at any time during business hours within the 45-day period preceding the election. No-excuse absentee ballot requests may be made at any time within three months before the election, and ballots must be provided or mailed immediately upon request; (Rule 2.I.1.a; 21-A MRSA §§ 753-A & 753-B)

The State of Maine has adopted measures to ensure that voting locations are accessible, fairly placed, and adequate in number, and have a sufficient number of voting booths or voting machines, as applicable; (Rule 2.I.1.b; 21-A MRSA §§ 629(1), 630, & 810(4))

The most common reason for voting delays in Maine is complex local election ballots, as the State of Maine ensures the availability of sufficient optical scanners in large municipalities to handle normally foreseeable turnout. When there are lines at the scanners, municipalities are encouraged to give voters the options of depositing ballots in auxiliary ballot boxes. These are supervised by bipartisan teams of election clerks, which scan the ballots when the lines subside; (Rule 2.I.1.c)

The State of Maine does not impose onerous and discriminatory voter identification requirements. Verification of identity is only required for individuals who are not already in the central registration system, and registrars must accept a wide range of documents as proof of identity for new registrants; (Rule 2.I.1.d; 21-A MRSA § 112-A)

Maine’s voting system makes it extremely unlikely that voters can be issued incorrect ballots. However, if they are, the ballots are counted and included in the final total for all offices for which the voters are eligible to vote (Rule 2.I.1.e);

The State of Maine has adopted measures to facilitate military and overseas voting; (Rule 2.I.1.f; 21-A MRSA §§ 154 & 776–783) and

To ensure that candidates rejected by a majority of the voters are not elected, the State of Maine uses ranked-choice voting for all statewide and legislative primary elections and for general elections for all federal offices. (21-A MRSA §§ 1(27-C) & 723-A)

e. The State of Maine and the Maine Democratic Party are committed to encouraging participation in the delegate selection process by registered voters, including the following measures:
Maine Delegate Selection Plan for the 2020 Democratic Convention

(1) As noted earlier, Maine has long allowed and facilitated same-day voter registration. Under recently enacted legislation, an automatic voter registration program will be implemented in 2022; (Rule 2.I.2.a; 21-A MRSA §§ 231–238, enacted by PL 2019, ch. 409 (LD 1463))

(2) The State of Maine allows pre-registration of otherwise eligible voters at age 16, effective as soon as they reach voting age; (Rule 2.I.2.b; 21-A MRSA § 155)

(3) The State of Maine does not disenfranchise voters based on criminal convictions, allowing all citizens of voting age who are Maine residents to register and vote, even those who are currently incarcerated (Rule 2.I.2.c; 17-A MRSA § 1152; 21-A MRSA §§ 111 & 112(14)); and

(4) The State of Maine allows same-day registration of voters for all primary and general elections and municipal party caucuses. (Rule 2.I.2.d; 21-A MRSA §§ 122(4), 158, & 661)

(5) The Maine Democratic Party is committed to ensuring an open and inclusive primary process, and resisting all attempts at disenfranchisement and voter suppression. The State of Maine allows unenrolled voters to enroll in the Democratic Party at any time up to and including the day of the primary, and registrars are available at the polling place, (Rules 2.J & 2.J.1; 21-A MRSA §§ 111, 121 et seq.)

f. The Maine Democratic Party is committed to a fair, accessible, and transparent caucus and State Convention process.

(1) Maine law requires municipalities to have registrars onsite for municipal caucus to facilitate same-day registration and same-day party enrollment. (Rule 2.K.3; 21-A MRSA § 158)

(2) All municipal caucuses report their results on a preliminary basis to Maine Democratic Party Headquarters immediately after the caucus, and staff verify that the State Convention delegates have been allocated correctly based on the results reported. ( Rules 2.K.4 & K.5)

(3) Written caucus reports, which include each individual voter’s personally-executed declaration of presidential preference or uncommitted status, must be submitted to Maine Democratic Party Headquarters within one week after the caucus and must be retained and made available for public inspection until the 2022 uniform caucus date. The municipal delegation is subject to challenge, as described in Subsection III(A)(9) below, for a period of 14 days after the municipality’s caucus report is filed. A presidential candidate who believes one or more municipal delegations may have been improperly allocated has standing to bring a challenge. (Rules 2.K.6 & K.7; MDP 240 & 610(4))

(4) The Maine Democratic Party conducts training programs in advance of the municipal caucuses for municipal chairs and caucus conveners, and conducts reviews each election cycle to assess the municipal caucuses and State Convention and consider ways to improve the process and increase participation. We have reached out to partner organizations with “community conversation” meetings targeted at underrepresented communities, such as women, youth, and immigrants. We will schedule as many of these as possible in January and February of 2020 to ensure participation in municipal caucuses. As appropriate, changes are made to the MDP Charter, operational manuals, and outreach and training materials. We work with municipalities to ensure that caucus locations are not inaccessible due to disability or geography. (Rules 2.I & 2.K.9)
g. At no stage of Maine’s delegate selection process shall any person be required, directly or indirectly, to pay a cost or fee as a condition for participating. Voluntary contributions to the Party may be made, but under no circumstances shall a contribution be mandatory for participation. (Rule 2.D; MDP 110(7)) State Convention fees shall be waived or subsidized as necessary to prevent anyone from being excluded from participation for inability to pay the fee, low-cost and free housing options shall be available for out-of-area delegates and alternates, and the Party will publicize these opportunities as part of its outreach program.

h. No person who participates in the presidential nominating process of any other party shall participate or vote in the nominating process for the Democratic presidential candidate in the same election. (Rule 2.E; 21-A MRSA § 144)

i. No person shall vote in more than one presidential primary election or participate in more than one municipal caucus. (Rule 3.E; Reg. 4.7; 21-A MRSA § 111)

6. Scheduling of Delegate Selection Meetings

The dates, times and places for all official Party meetings and events related to the state’s delegate selection process have been scheduled to encourage the participation of all Democrats. Such meetings will begin and end at reasonable hours. The state party is responsible for selecting the dates and times, and for locating and confirming the availability of publicly accessible facilities, for all official meetings and events related to this process, other than the State-administered presidential primary election. In addition, the scheduling of meetings shall consider any religious observations that could significantly affect participation. (Rule 3.A; Reg. 4.5)

SECTION II

PRESIDENTIAL CANDIDATES

A. The Maine Democratic State Committee shall certify to the Maine Secretary of State, by Nov. 1, 2019, whether there is a contest for the Democratic presidential nomination. If so, the State shall hold a Democratic presidential primary. (21-A MRSA § 441)

B. The Maine Secretary of State will makes presidential primary candidate nomination petitions available by November 1, 2019. Petitions are available from the Department of the Secretary of State, Division of Elections, located at the Burton M. Cross State Office Building, 4th floor, 111 Sewall Street, Augusta, Maine. (21-A MRSA § 442)

C. A Democratic presidential candidate must submit a petition signed by at least 2,000 and no more than 3,000 enrolled Maine Democrats to the Maine Secretary of State by 5 p.m. on December 21, 2019. (21-A MRSA §335(5)(B-3))

D. Maine’s presidential primary law does not require the primary ballot to include an “uncommitted” line.

E. Further information is available at the Secretary of State’s website, which is: https://www.maine.gov/sos/cec/elec/candidate/index.html

F. All presidential candidates shall certify the names of their authorized representative(s) to the State Democratic Chair no later than February 7, 2020.

G. All presidential candidates shall use their best efforts to ensure that their respective delegations within the state delegation achieve the affirmative action goals established by this Plan and are equally divided
Maine Delegate Selection Plan for the 2020 Democratic Convention

between men and women. (Rule 6.I) If there is an uncommitted delegation, its members shall work together in similar fashion to ensure compliance with these principles.

SECTION III

SELECTION OF DELEGATES AND ALTERNATES

A. MUNICIPAL CAUCUSES AND STATE CONVENTION DELEGATE SELECTION

1. Introduction

Each municipal caucus shall elect delegates and alternates to the State Convention on the basis of presidential preference or uncommitted status. (MDP 310(3)) Please note that discussion of delegates and alternates in this section deals with delegates and alternates to the State Convention, and not to the National Convention. The description of the municipal caucuses is to give background on how people are elected to the State Convention. The discussion of selection of delegates to the National Convention is discussed in the following section, titled “District-Level Delegates and Alternates,” and the sections that follow. All municipal caucuses are scheduled to take place on Sunday, March 8, 2020, the uniform caucus date established by the State Committee. (MDP 210(1)(A))

2. Regulation of Caucuses

Municipal caucuses are called in each even-numbered year by the Municipal Committee Chair or the Chair’s designee, or if the Chair fails to serve or to designate a convener, the Municipal Committee or the County Committee shall appoint a convener. (MDP 210(3)(A); 21-A MRSA § 311) The convener shall schedule the caucus for a time between 1:00 p.m. and 8:00 p.m. on the uniform caucus date. The Municipal Committee shall notify the County Chair of the time and place of the caucus at least 60 days in advance of the uniform caucus date. In any municipality where the Municipal Chair or a majority of the Municipal Committee has not given notice, the County Committee shall if feasible call a caucus and appoint a convener, making efforts to work with local Democrats to establish a suitable time and place, and ensure that adequate publicity of the caucus is given to Democrats within the municipality. (MDP 210(2)(C)) The convener shall publish a notice of the caucus in a newspaper of general circulation in the municipality at least three, and not more than seven, days before it is to be held. Alternatively, notice shall be posted in a conspicuous public place in each municipal voting district at least seven days before the caucus. In addition, a copy of the notice shall be filed with the Municipal Clerk and the State Committee. The notice shall state the name of the Party, the time and place of the caucus, the number of the person calling it, the availability and location of voter registration on the caucus day, and the time balloting for presidential preferences will begin. (MDP 220; 21-A MRSA § 311) A voter may only participate in the caucus of the municipality in which the voter is registered. Records shall be kept of the names of all caucus participants. The municipal registrar shall make a voter list available to the convener in advance of the caucus. Any voter challenges shall be resolved by the municipal registrar in accordance with the Maine Election Code. (21-A MRSA §§ 312 & 314; MDP 240)

3. Apportionment of Delegates and Alternates

a. Each municipality is entitled to one delegate and one alternate for each 91.14 votes cast for the Democratic candidate for Governor in the 2018 general election, rounded to the nearest whole number. The number 91.14 is a two-place approximation and was computed by dividing 3,500 into the total number of votes cast for the Democratic candidate for Governor (excluding uniformed and overseas votes that were not tabulated by municipality); the calculation will be carried out with further precision in any municipality where the round-off error might affect the number of delegates and
Maine Delegate Selection Plan for the 2020 Democratic Convention

alternates allotted. Each municipality shall receive at least one delegate and one alternate. (Rule 8.B; MDP 300(1))

b. In any municipality that is divided into precincts for the conduct of elections, the Municipal or County Committee may choose by majority vote, at the time the caucus is called, to divide the caucus by precincts. This is mandatory in Presidential election years if a municipality divided into precincts is entitled to at least 50 State Convention delegates. (MDP 230(4)) Precinct caucuses may be held in a single central location or in separate locations throughout the municipality. (MDP 210(4)) The municipality’s delegate positions shall be allocated among precincts in proportion to their vote for the Democratic candidate for Governor in 2018, or if the municipality votes by precinct only in Presidential years, in proportion to their vote for the Democratic candidate for President in 2016. If this information is not available, or is not relevant because of material changes in precinct boundaries, delegates and alternates shall be allocated in proportion to the number of Democrats who reside within each precinct. (MDP 300(4))

4. Delegate Selection

The number of delegates and alternates for each presidential preference shall be determined by the preferences expressed by the caucus participants. The chairperson of the caucus at the municipal, ward, or precinct level shall conduct the procedure for allocating delegates as follows (MDP 310(3)):

a. Announce at the beginning of the caucus the total number of delegates to be elected by that municipality, ward, or precinct;

b. Count and announce the number of eligible Democrats present at the caucus;

c. Count and physically divide those in attendance according to presidential preference, including the category “uncommitted”;

d. Determine the number of delegates and alternates for each preference by multiplying the percentage supporting that preference by the total number of delegates to be elected from the municipality, ward, or precinct. Assign delegates and alternates according to the whole number thus earned, and then assign one delegate and one alternate in order to those preferences with the largest fractions, until the total number apportioned to the municipality, ward, or precinct has been assigned;

e. Inform those whose preference did not attract enough votes to be assigned a delegate that they are free to choose another preference and are eligible to run as a delegate to the State Convention for that preference, subject to the obligation to act in good faith as a representative at the State Convention;

f. Conduct a public coin toss if there is any tie that cannot be resolved by moves among the preferences;

g. Send each preference group to caucus separately and return with its choice of delegate(s) and alternate(s). The delegates and the alternates within each preference group shall both be equally divided between men and women as defined below in Paragraph III(B)(5)(b), even if this results in vacancies to be filled later under Subsection 8.
Maine Delegate Selection Plan for the 2020 Democratic Convention

5. Alternates

The alternates for each preference group within each municipality, or within each precinct where delegates and alternates are elected by precinct, shall be ranked by random drawing at the caucus when they are elected. (MDP 300(3))

6. Caucus Report

No later than seven days after the caucus, the caucus chair shall submit a report to State Party Headquarters, on a form prescribed by State Headquarters. (MDP 240) The information to be reported shall include the number of State Convention delegate positions allocated to each presidential preference and the name, contact information, and presidential preference of each delegate and alternate elected.

7. Filling Vacancies (MDP 320)

a. Vacancies may only be filled from within the preference group to which the position is assigned based on the results of the municipal caucus.

b. If a delegate position becomes vacant before the State Convention, the highest-ranking alternate from the same preference group within the same municipality shall replace the delegate, unless that would create or increase a gender imbalance within the municipal delegation and there is an eligible alternate of a different gender, in which case the eligible alternate of a different gender with the highest priority shall become a delegate.

c. Alternate vacancies, and delegate vacancies that cannot be filled in accordance with Paragraph (b) above, may be filled by the preference group before the State Convention in the manner prescribed by the Maine Democratic Party Charter.

d. Delegate vacancies at the State Convention shall be filled by a random selection process to the extent that there are alternates in attendance from the same preference group. (MDP 320(4))

8. Challenges

a. Any Democrat may challenge any delegate or alternate certified to the State Convention by notifying State Headquarters in writing. (MDP 610(4)(A))

b. A challenge to an entire municipal delegation must be filed within 14 days after receipt of the completed municipal caucus report by the State Committee. Other challenges must be filed within 14 days after the report of the election of the challenged delegate or alternate is filed, and no later than May 22, 2020. (MDP 240, 610(4)(B))

c. The challenge must include the name and address of the delegate or alternate who is being challenged and the reason for the challenge. (MDP 610(4)(A))

d. Challenges shall be referred to the Committee on Credentials, which must consider any statements from the challenger and from the delegate or alternate being challenged, and may take testimony from other persons. (MDP 610(4)(C) through (E))

e. After the hearing, the Committee on Credentials shall report in writing to the State Convention the name of the delegate or alternate it believes is entitled to participate in the State Convention. The State Convention shall vote on the report of the Committee on Credentials on each challenge. (MDP 610(4)(F) & (G))
B. NOMINATION AND ELECTION PROCEDURES FOR PLEDGED DELEGATES AND ALTERNATES

1. These procedures govern the selection of the four categories of pledged delegates and alternates to the National Convention: First District delegates, Second District delegates, At-large delegates and alternates, and pledged party leader and elected official (PLEO) delegates. All pledged delegates and alternates are elected by the State Convention. However, candidates for these positions need not be elected State Convention Delegates or Alternates.

2. Nomination Procedures
   a. General Requirements for All Categories
      (1) All delegate candidates must be identified as to presidential preference or uncommitted status at all levels that determine presidential preference. (Rule 13.A) There is no separate candidate pool for alternates, who are selected from among the at-large delegate candidates as described below in paragraph d.
      
      (2) A candidate for a delegate position pledged to a presidential candidate must be a *bona fide* supporter of that candidate and must withdraw from consideration for that delegate position if the delegate candidate becomes a supporter of any other presidential candidate or is no longer committed to support one specific candidate, except as provided in Paragraph 3(e).
      
      (3) To qualify as a candidate to be a pledged delegate to the 2020 Democratic National Convention, an individual must submit a petition to the State Committee. Any enrolled Maine Democrat may run for election as a pledged delegate. Candidates are not required to be delegates to the State Convention in order to run for National Delegate.
         
         (i) Nomination petitions will be available from state headquarters no later than February 7, 2020. (MDP 630(5)(B)
         
         (ii) A candidate may run in more than one delegate category for which the candidate is qualified, but, if so, must file a separate petition for each category. Each petition shall include the candidate’s name, Congressional District, the position for which the candidate wishes to be considered, and the presidential preference or uncommitted status of the candidate, before any signatures are affixed.
         
         (iii) Delegates and alternates may sign as many petitions as they wish.
         
         (iv) Petitions must be filed no later than 5:00 p.m. at the Democratic State headquarters no later than May 15, 2020, which is 14 days before the opening of the State Convention. Petitions should be sent to the State Committee by certified mail with return receipt. Petitions delivered in person must be registered with the State Committee, which will give a receipt to the bearer. These receipts are a candidate’s only proof of petition.
         
         (v) The petition must be filed with a signed pledge of support affirming that the delegate candidate is a *bona fide* supporter of the presidential candidate, or for uncommitted positions, affirming that the delegate candidate is not a committed supporter of any presidential candidate who is actively seeking National Convention delegates from Maine. (Rule 13.B; Regs. 4.17 & 4.22; MDP 630(5), 660(6)) A candidate may only have one presidential preference; however, a candidate whose presidential preference changes before the filing deadline may withdraw any petitions circulated under the prior preference and, if
Maine Delegate Selection Plan for the 2020 Democratic Convention

approved by the new candidate’s campaign, run as a candidate in the new preference group by filing an updated nominating petition with an updated pledge of support. If the candidate is a delegate or alternate to the State Convention, the candidate’s declared presidential preference must be the same as the presidential preference under which the candidate is registered for the State Convention. (MDP 310*)

(4) The Executive Director of the Maine Democratic Party shall make copies of the list of State Convention delegates and alternates available on request to any candidate for National Convention delegate.

(5) The mailing address for petitions is:

Maine Democratic Party
P.O. Box 5258
Augusta ME 04332-5258

b. District-Level Delegate Candidates

(1) A district-level delegate candidate may only run within the district in which the candidate is registered to vote. (Rule 13.H; MDP 660(6)(A))

(2) Nomination petitions for district-level delegate candidates must be signed by at least 25 State Convention delegates and/or alternates who are registered to vote in that district. A list of state delegates will be provided by the MDP. (MDP 630(5)(A), 660(6)(C))

c. Pledged PLEO Delegate Candidates

Nomination petitions for pledged PLEO delegate candidates must be signed by at least seven State Committee members. A list of State Committee members will be provided by the MDP.

d. At-Large Delegate (and Alternate) Candidates

(1) Nomination petitions for at-large delegate candidates must be signed by at least 25 State Convention delegates and/or alternates. A list of state convention delegates will be provided by the MDP. (MDP 630(5)(A), 660(6)(C))

(2) There is no separate filing process for alternate candidates. All alternates shall be chosen from the pool of candidates who have filed to run for at-large delegate positions (Rule 13.C), with the runners-up in the delegate election serving as alternates subject to the equal division requirements set forth in Subsection 5 below.

e. On May 22, 2020, at 3:00 PM, a drawing at Maine Democratic Party Headquarters shall determine the position of each candidate on the ballot (MDP 630(5)(E)), except that candidates for pledged PLEO positions shall be listed in priority order with a separate drawing where applicable within each priority level. The drawing shall be announced on the Maine Democratic Party Website, and sample ballots shall be provided for the candidates to review.

3. Presidential Candidate Right of Approval

a. The State Democratic Chair shall convey to the presidential candidate, or that candidate’s authorized representative(s), a list of all persons who have filed for delegate pledged to that presidential candidate, in time for that list to be received no later than 5 p.m., May 20, 2020. (Rules 13.D & 13.F; Reg. 4.24.B)
b. Each presidential candidate, or that candidate’s authorized representative(s), must then file a list of approved district-level delegate candidates with the State Democratic Chair by Noon on May 22, 2020. (Rules 13.D & 13.F; Reg 4.24.D) Candidates are encouraged, but not required, to finalize their approved lists of pledged PLEO and at-large delegate candidates by this time as well.

(1) For district-level candidates, a presidential candidate may not disapprove a nomination if the disapproval would leave fewer than three times the number of nominees of that gender as there are delegate positions in that district for which delegates of that gender and presidential preference might be eligible. (Rule 13.E.(1); Reg. 4.25) This Subparagraph and Subparagraph (2) do not prohibit the disapproval of a gender-non-binary candidate who is not a bona fide supporter of the presidential candidate.

(2) For at-large or pledged PLEO candidates, a presidential candidate may not disapprove a nomination if the disapproval would leave fewer than twice the number of nominees of that gender as there are delegate positions in that category for which delegates of that gender and presidential preference might be eligible. (Rule 13.E.(2))

(3) For pledged PLEO positions, preference shall be given in the following descending order of priority (Rule 10.A.(1)):

(i) Big city mayors, statewide elected officials, and any Automatic PLEO Delegate who chooses to run for a Pledged PLEO position (to be given equal consideration);
(ii) State legislative leaders;
(iii) State legislators;
(iv) Other state, county, and local elected officials and party leaders.

For purposes of this Subparagraph, “Big city mayor” means the mayor of Portland or Lewiston, if elected as a Democrat in a citywide partisan election (Reg. 4.16), and “statewide elected official” means the Maine Attorney General, Secretary of State, Treasurer, or Auditor, if elected as the Democratic nominee.

c. Deadlines for Exercising Right of Approval.

(1) Failure to respond in writing by Noon May 22, 2020 shall be deemed approval of all district-level delegate candidates submitted to the presidential candidate.

(2) At the time that the lists of nominees are submitted by the State Democratic Chair, the presidential candidates or their authorized representatives shall be advised that they may finalize their lists of approved pledged PLEO delegate candidates at any time up to 15 minutes after the results of the district-level delegate election have been announced, and may finalize their lists of approved at-large delegate candidates at any time up to 15 minutes after the results of the pledged PLEO delegate election have been announced.

(3) Any candidate or authorized representative wishing to exercise the right of approval is encouraged to file a written request with the State Democratic Chair, including contact information, before the State Convention. Candidates that have not filed contact information in advance shall be responsible to ensure that their approved lists are communicated to Convention Staff before the deadline. (Regs. 4.13, 4.24.D)

d. A national convention delegate candidate removed from the list of approved delegate candidates by a presidential candidate, or by that candidate’s authorized representative(s),
may not be elected as a delegate or alternate pledged to that candidate in that category. However, a presidential candidate or authorized representative may approve a delegate candidate to run in one category while disapproving the same candidate in another category. (Rule 13.E; Reg. 4.25.C)

e. If a presidential candidate withdraws from the race at any time after nominating petitions for national convention delegate have begun circulating, all valid nominating petitions for any category of national convention delegate pledged to that presidential candidate shall be deemed to be candidates for uncommitted delegate in the same category, or, with the affirmative written permission of another presidential candidate’s authorized representative, may choose instead to be candidates pledged to that presidential candidate. Refusal to grant such permission is not considered a “removal from the list of authorized candidates” for purposes of this subsection.

f. Within three days after each presidential candidate’s list of approved delegate candidates has been returned pursuant to Paragraph (b) above, or on the first business day thereafter, the State Democratic Chair shall certify in writing to the Co-Chairs of the DNC Rules and Bylaws Committee whether the candidate has used best efforts to ensure that the delegate and alternate candidates meet the affirmative action and inclusion considerations and goals detailed in the Affirmative Action section of this Plan. For the uncommitted delegation, if any, and for any candidate who has not exercised the right of review, the State Democratic Chair’s certification shall be submitted no later than Tuesday, May 26, 2020.

4. Fair Reflection of Presidential Preference

a. All Delegates and Alternates shall be identified by presidential preference group. A Delegate or Alternate whose presidential candidate has no national delegate candidates may change their presidential preference by filing a signed form at the Democratic State headquarters no later than 5:00 p.m., May 15, 2020, affirming that the Delegate or Alternate no longer supports the original candidate and is now a *bona fide* supporter of the new candidate, or, as applicable, is no longer uncommitted or has become uncommitted. Copies of all such statements shall be submitted to the new presidential candidate’s authorized representative no later than May 19, 2020, except in the case of a change to uncommitted status. (MDP 610(2)*, 660(8)(A)) A change in status is subject to challenge as in accordance with Subsection A(9) above.

b. The National Convention delegates and alternates within each category shall be apportioned among those presidential preferences, including “uncommitted,” that received the required 15 percent of the vote in the presidential primary. Candidates who have withdrawn from the race shall be treated as part of the “uncommitted” preference group. (MDP 660(5)(C)*; Rules 2.K.(5), 14.A, 14.B, 14.D)

5. Election Procedure

a. Elections for each category of pledged delegates shall be by written ballot at the State Convention. Candidates shall be listed on the same ballot and identified by gender as non-binary, female, or male. Individual voters may vote for candidates of any gender, up to the total number of positions to be filled in that election; the equal division requirements are implemented at the time the votes are tabulated. If a candidate for pledged PLEO or at-large delegate has already been elected as a delegate in another category, or if that candidate has been removed from the list of approved delegate candidates by the presidential candidate or authorized representative after the ballots have been printed, voters shall be instructed at the time ballots are distributed to remove that candidate’s name from the ballot, and votes for that candidate shall not be counted. (Reg. 4.31.B)
b. The cohort of delegates elected by each constituency shall be equally divided between men and women, except when otherwise expressly provided in the Plan in order to ensure equal division across the entire delegation. A constituency means a presidential preference group voting for a particular delegate category, treating each district for this purpose as a separate category of district-level delegates. For purposes of equal division, gender is determined by self-identification and gender-non-binary delegates shall not be counted as men or women. If the total number of men and women in any cohort is odd, equal division within that cohort means that the number of men and the number of women differ by exactly one. (Rule 6.C; Call IX.R, MDP 660(8)(C)*)

c. Unless it would create an unequal division between men and women, the candidates receiving the highest number of votes from the constituency shall be elected, with any ties for the last position decided by public coin toss.

d. Equal division within each voting constituency shall be ensured by eliminating the candidates of the gender that would otherwise be over-represented who received the fewest votes.

e. Equal division at other levels of the delegation shall be ensured by identifying the voting constituencies for which the total number of men and women who would otherwise be elected at Step (d) is odd, and for which the majority gender in that cohort is also the over-represented gender at a higher level, and then eliminating the candidate of that gender who received the fewest votes, according to the following priorities (Rule 6.C: Reg. 4.9):

1. Any constituency in which that candidate was selected by a coin toss over a candidate of a different gender;

2. A preference group within a Congressional District, if that preference group’s overall district-level delegation would otherwise be unequally divided;

3. A preference group within any delegate category, if the State’s entire delegation, including automatic delegates, would otherwise be unequally divided overall;

4. A preference group within any delegate category, if that delegate category would otherwise be unequally divided overall;

5. A preference group within any delegate category, if that preference group’s delegation would otherwise be unequally divided overall;

6. The constituencies filling the largest number of positions;

7. The constituencies with the narrowest margin between the votes for the candidate who would be replaced and the candidate who would be the replacement;

8. The constituencies in which the candidate who would be the replacement received the highest percentage of the votes cast;

6. The State Democratic Chair shall certify in writing to the Secretary of the Democratic National Committee (DNC) the election of the state’s pledged delegates and alternates to the Democratic National Convention in each category within ten days after their election. (Rules 8.C & 8.D; Call IV.A)
C. **DISTRICT-LEVEL DELEGATES**

1. Maine is allocated 16 district-level delegates. (Rule 8.C; Call I.B, I.I & Appendix B)

2. District-level delegates shall be elected at the State Convention on May 30, 2020, before the selection of any other category of delegates except the Automatic PLEO delegates.

To ensure the district-level delegates are equally divided between men and women (determined by gender self-identification) the gender of the first binary delegate elected in each district will be designated. At the time of election of delegates in the district the binary gender advantage will alternate as delegate positions are filled and the alternation shall continue across presidential preferences in order of vote-getting preference. In the case of non-binary gender delegates, they shall not be counted in either the male or female category. (Rule 6.C., Rule 6.C.1 & Reg. 4.10)

3. Apportionment of District-Level Delegates

a. For the purposes of this discussion “district” refers to congressional districts. Delegates are apportioned among the districts based on a formula giving equal weight to population, as determined by the official 2019 U.S. Census Bureau estimate, and to the average vote for the Democratic candidates in the 2012 and 2016 presidential elections. (Rule 8.A.1; Regs. 4.12 & Appendix A; MDP 660(5)(B)*)

b. Maine’s total number of district-level delegates shall be equally divided between men and women, in accordance with the procedures set forth in Subsection B(6). (Rule 6.C.(1); Reg. 4.9; MDP 660(8)(C)) As discussed above in Paragraph B(6)(b), the equal division restrictions apply only to men and women, and not to non-binary candidates,

c. There shall be 9 district-level delegates elected from the First Congressional District, and 7 district-level delegates elected from the Second Congressional District.

d. These district-level delegates will be apportioned within each congressional district according to the results of the presidential primary within each district.

D. **AUTOMATIC PARTY LEADER AND ELECTED OFFICIAL DELEGATES**

1. All Party Leaders and Elected Officials meeting the following criteria shall serve as delegates to the National Convention, in addition to the delegates chosen by the State Convention:

a. Members of the Democratic National Committee who legally reside in Maine; (Rule 9.A.(1); Call I.F & J; Reg. 4.14)

b. All of Maine’s Democratic Members of the U.S. House of Representatives and the U.S. Senate; (Rule 9.A.(3); Call I.H & J)

c. Maine’s Democratic Governor; (Rule 9.A.(4); Call I.H & J)

d. A “Distinguished Party Leader” delegate who legally resides in the state: all former Democratic Presidents or Vice Presidents; all former Democratic Leaders of the U.S. Senate; all former Democratic Speakers of the U.S. House of Representatives and Democratic Minority Leaders; and all former Chairs of the Democratic National Committee. (Rule 9.A.(5); Call I.G; Reg. 4.14)
2. The certification process for the Automatic Party Leader and Elected Official delegates is as follows:
   a. Not later than March 6, 2020, the Secretary of the Democratic National Committee shall officially confirm to the State Democratic Chair the names of the automatic delegates who legally reside in Maine. (Rule 9.A)
   b. Official confirmation by the Secretary shall constitute verification of the automatic delegates from the categories indicated above. (Call IV.B.(1))

3. At the time this Delegate Selection Plan was finalized, Maine would be entitled to 4 male Automatic PLEO Delegates and 4 female Automatic PLEO Delegates. The exact number of Automatic PLEO Delegates is subject to change due to possible deaths, resignations, or elections, and must be taken into consideration when ensuring that Maine’s overall delegation is evenly balanced. (Rule 6.C)

4. The State Democratic Chair shall certify in writing to the Secretary of the Democratic National Committee (DNC) the presidential preference or uncommitted status of each automatic delegate within ten days after the election of at-large delegates and alternates. (Call IV.C)

5. For purposes of achieving equal division between delegate men and delegate women and alternate men and alternate women within the state’s entire convention delegation, the entire delegation includes all pledged and automatic delegates. (Rule 6.C)

6. Anyone who is entitled to automatic delegate status under this Section may choose to run for one or more pledged delegate positions. Any automatic delegates who are elected as pledged delegates shall cease to serve as automatic delegates and shall only be eligible to vote in their capacity as pledged delegates. (Call I.J)

E. PLEDGED PARTY LEADER AND ELECTED OFFICIAL (PLEO) DELEGATES

1. Maine is allotted 3 pledged Party Leader and Elected Official (PLEO) delegates. (Call I.D & E) Alternates are not selected at the pledged Party Leader and Elected Official level. The at-large alternate or alternates from a pledged PLEO delegate’s preference group shall serve as that delegate’s alternate or alternates.

2. The pledged PLEO delegates will be elected on May 30, 2020 by the State Convention, after the election of district-level delegates and before the election of at-large delegates. (Rule 10)

3. The pledged PLEO delegates shall be divided between men and women in a manner that balances, to the extent possible, the division between men and women in the combined district-level, automatic PLEO, and pledged PLEO delegation, following the procedures set forth in Subsection B. (MDP 660(8)(C)) As discussed above in Paragraph B(6)(b), the equal division restrictions are apply only to men and women, and not to non-binary candidates.

F. AT-LARGE DELEGATES AND ALTERNATES

1. The state of Maine is allotted 5 at-large delegates. It is also presumptively allotted 2 alternates; however, as described below, the provisions entitling each represented preference group to an alternate will usually take precedence. (Rules 8.C & 19.B; Call I.I & Appendix B)

2. All alternates shall be elected at-large. (Reg. 4.34.C) There shall be one alternate for each presidential preference entitled to a pledged delegate position in any category. (Rule 19.B; Call I.I) In addition, because Maine is presumptively allocated two alternates, the leading presidential preference shall receive two alternates if it would earn both of those alternates based on proportional representation. (Rules 14.A & 14.D)
3. Selection of At-Large Delegates and Alternates

a. The at-large delegates will be elected on May 30, 2020 by the State Convention, after all district-level delegates and pledged Party Leader and Elected Official delegates have been elected. The alternates shall be selected, based on the results of the at-large delegate voting in accordance with Paragraphs 2(a) and 5(e) of Part B, immediately after the at-large delegates have been selected. (Rule 8.D & Call III)

b. Priority consideration:

   (1) The election of at-large delegates and alternates shall be used, if necessary, to achieve the equal division of positions in the statewide delegation between men and women, following the procedures set forth in Subsection B, and may be used to achieve the representation goals established in the Affirmative Action section of this Plan. (Rule 6.A)  As discussed above in Paragraph B(6)(b), the equal division restrictions apply only to men and women, and not to non-binary candidates.

   (2) Delegates and alternates are to be considered separate groups for this purpose. (Rules 6.A.(3) & 11.A; Reg. 4.8 & 4.19)

   (3) In order to continue the Democratic Party’s ongoing efforts to include groups historically under-represented in the Democratic Party’s affairs, priority consideration in the selection of candidates for at-large positions shall be given to African Americans, Hispanic/Latin Americans, Native Americans, Asian & Pacific Americans, and other groups identified by characteristics such as race/ethnic background, age, sexual orientation, gender identity, or disability. (Rules 5.C & 6.A; Reg. 4.8)  As discussed more fully in the Affirmative Action and Outreach section of this Plan, such groups include, but are not limited to, the full range of other ethnic backgrounds, varied religions and faiths, Youth, Seniors, The LGBTQ+ community, Unorganized workers, People with a high school diploma or less, People with disabilities, and People of low and moderate income.

   (4) State Convention delegates shall be encouraged to consider the Democratic Party’s affirmative action goals when voting for National Convention delegates.

G. REPLACEMENT OF DELEGATES AND ALTERNATES

1. A vacancy in a pledged delegate or alternate position may be filled according to the following guidelines:

   a. Permanent Replacement of a Delegate: (Rule 19.D.(3))

      (1) A permanent replacement occurs when a delegate resigns or dies before or during the National Convention. The alternate replaces the delegate for the remainder of the National Convention.

      (2) Any alternate permanently replacing a delegate shall be of the same presidential preference (including uncommitted status) as the delegate who is replaced.

         (a) If the presidential candidate has only one alternate, that alternate shall become the certified delegate.

         (b) If the presidential candidate has more than one alternate, preference shall be given first to an alternate who does not cause the delegation to be unequally divided, and second to an alternate from the same Congressional District as the delegate who is replaced.

         (c) If a presidential candidate has only one alternate, and that alternate permanently replaces a delegate of a different gender, thereby causing
the delegation to be unequally divided, the delegation shall not be considered in violation of Rule 6.C. However, notwithstanding Rule 19.D.(2), if any subsequent vacancy occurs, the Democratic State Committee shall if necessary replace a delegate with a person of a different gender and the same presidential preference, in order to return the delegation to equal division of men and women. (Reg. 4.36)

(3) A delegate or alternate candidate who has been elected but not certified to the DNC Secretary, and who resigns, dies, or is no longer eligible to serve, shall be replaced, after consultation with the Democratic State Committee, by the authorized representative of the presidential candidate to whom the delegate or alternate candidate was pledged. An uncommitted delegate or alternate candidate shall be replaced by the Democratic State Committee. (Rule 19.D.(2))

b. Temporary Replacement of a Delegate: (Rule 19.D.(4))

(1) A temporary replacement occurs when a delegate is to be absent for a limited period of time during the Convention and an alternate temporarily acts in the delegate’s place.

(2) Any alternate who temporarily replaces a delegate must be of the same presidential preference (including uncommitted status) as the delegate who is replaced, and to the extent possible, shall not cause the delegation to be unequally divided and shall be from the same Congressional District as the delegate.

c. When more than one alternate is eligible to serve as a permanent or temporary replacement, the delegation shall choose the replacement.

d. Certification of Replacements

(1) The State Democratic Chair shall certify any alternate who permanently replaces a delegate in writing to the Secretary of the DNC within three days after the replacement is selected. (Rule 19.D.(3); Call IV.D.1)

(2) Certification of permanent replacements will be accepted by the Secretary up to 72 hours before the first official session of the Convention is scheduled to convene. (Call IV.D.1; Reg. 4.35)

(3) If a pledged delegate is permanently replaced after the first session is scheduled to convene or within 72 hours beforehand, or if a pledged delegate is not on the floor of the Convention Hall at the time a roll call vote is taken, an alternate may be designated by the delegation, consistent with the requirements of this Section, to cast the delegate’s vote. The Delegation Chair shall indicate the name of the alternate and the name of the delegate replaced on the delegation tally sheet. (Call IX.F.3.c & IX.F.3.e; Reg. 5.6)

e. A vacant alternate position shall be filled by the delegation. The replacement shall be of the same presidential preference (or uncommitted status), shall not cause the delegation to be unequally divided, and, to the extent possible, shall be from the same Congressional District as the alternate being replaced. (Rule 19.E)

2. An automatic delegate shall not be entitled to a replacement, except under the following circumstances. (Rule 19.E; Call IV.D.2.c; Reg. 4.37) In no case may an alternate cast a vote for an automatic delegate. (Call IX.F.3.e)
Maine Delegate Selection Plan for the 2020 Democratic Convention

a. In the event of changes or vacancies in the state’s Congressional Delegation, following their official confirmation as delegates and before the commencement of the National Convention, the DNC Secretary shall recognize only such changes as have been officially recognized by the Democratic Caucus of the U.S. House of Representatives or the Democratic Conference of the U.S. Senate. In the event of a change or vacancy in the state’s office of Governor, the DNC shall recognize only such changes as have been officially recognized by the Democratic Governors’ Association. (Call IV.D.2.a)

b. Members of the Democratic National Committee and the automatic delegate shall not be entitled to a replacement, except in the case of death of the delegate, or in the case where the state’s DNC membership changes following the DNC Secretary’s official confirmation, but before the commencement of the 2020 Democratic National Convention, in which case acknowledgment by the Secretary of the new DNC member certification shall constitute verification of the corresponding change of automatic delegates. (Call IV.D.2.b)

SECTION IV

SELECTION OF STANDING COMMITTEE MEMBERS

A. INTRODUCTION

1. Maine has been allocated 1 member on each of the three standing committees for the 2020 Democratic National Convention (Credentials, Platform, and Rules). (Call VII.A & Appendix D)

2. Members of the Convention Standing Committees need not be delegates or alternates to the 2020 Democratic National Convention. (Call VII.A.3)

3. These members will be selected in accordance with the procedures indicated below. (Rule 1.G)

B. SELECTION OF MEMBERS

1. Selection Meeting

   a. The members of the standing committees shall be elected by a quorum of Maine’s National Convention delegates, at the delegation’s organizational meeting, to be held on May 31, 2020. (Call VII.B.1)

   b. A quorum shall consist of 40 percent of Maine’s delegates to the National Convention. (Rule 16)

   c. All members of the delegation shall receive adequate notice of the time, date, and place of the meeting to select the standing committee members. (Call VII.B.1)

2. Allocation of Members

   a. The members of the standing committees allocated to Maine shall proportionately represent the presidential preference of all candidates (including uncommitted status) receiving the threshold percentage used in the state’s delegation to calculate the at-large apportionment pursuant to Rule 14.E. of the Delegate Selection Rules. (Call VII.C.1 & Reg. 5.9)

   b. The presidential preference of each candidate receiving the applicable percentage or more within the delegation shall be multiplied by the total number of standing committee positions allocated to Maine. If the result of such multiplication does not equal 0.455 or above, the presidential preference in question is not entitled to representation on the
standing committee. If the result of such multiplication is 0.455 but less than 1.455, the presidential preference is entitled to one (1) position. Those preferences securing more than 1.455 but less than 2.455 are entitled to two (2) positions, etc. (Call VII.C.2)

c. Where the application of this formula results in the total allocation exceeding the total number of committee positions, the presidential candidate whose original figure of representation is farthest from its eventual rounded-off total shall be denied that one (1) additional position. Where the application of this formula results in the total allocation falling short of the total number of committee positions, the presidential candidate whose original figure of representation is closest to the next rounding level shall be allotted an additional committee position. (Call VII.C.3)

d. Standing committee positions allocated to a presidential candidate shall be proportionately allocated, to the extent practicable, to each of the three (3) standing committees. When such allocation results in an unequal distribution of standing committee positions by candidate preference, a drawing shall be conducted to distribute the additional positions. (Call VII.C.4)

3. Presidential Candidate Right of Approval

a. Each presidential candidate, or that candidate’s authorized representative(s), shall be given adequate notice of the date, time, and location of the meeting of the state’s delegation authorized to elect standing committee members. (Call VII.D.1)

b. Each presidential candidate, or that candidate’s authorized representative(s), must submit to the State Democratic Chair, by May 31, 2020, a list of standing committee nominees. If the candidate submits at least one name for each standing committee slot awarded to the candidate, the delegation must choose from that list. (Call VII.D.2)

c. If the uncommitted preference group is entitled to elect one or more standing committee members, each uncommitted delegate may place up to one name in nomination for each standing committee slot awarded to the uncommitted preference group.

4. Selection Procedure to Achieve Equal Division

a. Presidential candidates (including if applicable the uncommitted delegation) shall use their best efforts to cooperate to ensure that Maine’s delegation of standing committee members shall achieve Maine’s affirmative action goals and is equally divided between men and women. In case of a non-binary gender delegate, they shall not be counted as either male or female, and the remainder of the Standing Committee members should be equally divided between men and woman. (Rule 6.I & Reg. 4.10)

b. A separate election shall be conducted for membership on each standing committee.

(1) The Credentials Committee member shall be elected first, followed by the Platform Committee member, then the Rules Committee member.

(2) If the Credentials Committee member and Platform Committee member are of the same gender, the Rules Committee member must be of a different gender.

(3) If a preference group is entitled to elect exactly two standing committee members, and the first member elected is gender-binary, the second member elected must be of a different gender.
5. Certification and Substitution
   a. The State Democratic Chair shall certify the standing committee members in writing to the Secretary of the Democratic National Committee (DNC) within three days after their selection. (Call VII.B.3)
   b. No substitutions will be permitted in the case of standing committee members, except in the case of resignation or death. Substitutions must be made in accordance with the rules and election procedures specified in this section, and must be certified in writing to the Secretary of the DNC within three days after the substitute is selected, but not later than 48 hours before the respective standing committee meets. (Call VII.B.4)

SECTION VII

GENERAL PROVISIONS AND PROCEDURAL GUARANTEES

A. The Maine Democratic Party reaffirms its commitment to an open party and pledges to maintain standards that equal or exceed the Six Basic Elements as adopted by the Democratic National Committee, which
demonstrate the intention of the Democratic Party to ensure a full opportunity for all Democrats to participate in the delegate selection process. (Rules 4.A & C)

1. All public meetings at all levels of the Democratic Party in each state should be open to all members of the Democratic Party regardless of race, sex, age, color, creed, national origin, religion, ethnic identity, sexual orientation, gender identity and expression, economic status or disability (hereinafter collectively referred to as “status”). (Rule 4.B.(1))

2. No test for membership in, nor any oath of loyalty to, the Democratic Party in any state should be required or used which has the effect of requiring prospective or current members of the Democratic Party to acquiesce in, condone or support discrimination based on “status.” (Rule 4.B.(2))

3. The time and place for all public meetings of the Democratic Party on all levels should be publicized fully and in such manner as to assure timely notice to all interested persons. Such meetings must be held in places accessible to all Party members and large enough to accommodate all interested persons. (Rule 4.B.(3))

4. The Democratic Party, on all levels, should support the broadest possible registration without discrimination based on “status.” (Rule 4.B.(4))

5. In the case of gender non-binary delegates or alternates, they shall not be counted as either male or female and the remainder of the delegation shall be equally divided between men and woman. (Rule 6.C)

D. All pledged delegate and alternate candidates must be identified as to presidential preference or uncommitted status at all levels that determine presidential preference. (Rule 13.A)

E. No delegate at any level of the delegate selection process shall be mandated by law or Party rules to vote contrary to that person’s presidential choice as expressed at the time the delegate is elected. (Rule 13.J)

(Rule 13.H & Reg. 4.26)

H. Forty percent (40%) of the members of any Party body above the first level of the delegate selection process shall constitute a quorum for any business pertaining to the selection of Convention delegates, alternates, standing committee members, and other official Convention participants. (Rule 16) The members present and voting shall constitute a quorum for the transaction of business at any duly convened municipal caucus.

I. There shall be no proxy voting at any level of the Democratic Party of Maine. (Rule 17; MDP 110(2))

All slates must meet identical qualifying requirements for appearing on a ballot at all levels of the delegate selection process. (Rule 18.B; MDP 660(6))

L. All steps in the delegate selection process must take place within the calendar year of the Democratic National Convention, except with respect to the implementation of the Affirmative Action Plan. (Rules 1.F & 12.B)

M. In electing and certifying delegates and alternates to the 2020 Democratic National Convention, Maine thereby undertakes to assure:

A. STATEMENT OF PURPOSE AND ORGANIZATION

1. Purpose and Objectives
   
a. To make sure that the Democratic Party at all levels is an open Party that includes rather than excludes people from participation, the Maine Democratic Party hereby adopts a program of effective affirmative action. (Rule 5.A)

B. REPRESENTATION GOALS

1. In cooperation with the National Committee, the Maine Democratic Party has determined the demographic composition of African Americans, Hispanic/Latinx Americans, Native Americans, and Asian Americans and Pacific Islanders in Maine’s Democratic electorate. These constituency percentages shall be established as goals for representation in Maine’s convention delegation. (Rule 6.A)

2. In cooperation with the National Committee, the Maine Democratic Party has determined the demographic composition of members of the LGBTQ+ community, people with disabilities, and youth in the state’s Democratic electorate. 4. The methods used to determine representational goals are described in Exhibit No. 3 in the attached Exhibits to the Affirmation Action Plan.
4. eliminate excessively long waiting periods for voters wish to register or to change their party enrollment status. (Rule 2.C)

7. The Affirmative Action Committee will develop a Maine Democratic Party strategy to be implemented beginning Nov. 1, 2019 that will provide education programs directly to voters who continue to experience confusing timelines for registration, changing party affiliation deadlines, or lack of awareness of the process for running for delegate, to ensure that all Democratic voters understand the rules and timelines and their impact on voter participation. (Rule 4.B.5)

D. EFFORTS TO PUBLICIZE THE DELEGATE SELECTION PROCESS

1. The Maine Democratic Party shall direct special attention to publicizing the delegate selection process in the state. Such publicity shall include information on eligibility to vote and how to become a candidate for delegate, the time and location of each stage of the delegate selection process, and where to get additional information. The foregoing information will also be published in the Maine Democratic Party’s communications and on the Maine Democratic Party’s website. The Maine Democratic Party’s organization, official, candidate, or member calling a meeting or scheduling an event, shall effectively publicize the role that the meeting or event plays in the selection of delegates and alternates to the Democratic National Convention. (Rule 3.C & Rule 3.D)

2. Specifically, the Delegate Selection Media Plan will provide details as to how to qualify to run as a delegate candidate. Regular updates should be posted/released throughout the state’s delegate selection process to ensure broad and timely coverage and awareness about the process to all interested persons. (Rule 4.B.3 & Rule 6.D)

3. A priority effort, as described in the Delegate Selection Media Plan, shall be directed at publicity among the Democratic Party’s constituencies.

Furthermore, presidential candidates shall use their best efforts at the district level to approve delegate, alternate, and standing committee candidates who meet applicable equal division and affirmative action considerations to promote and achieve the state’s affirmative action, outreach and inclusion goals and equal division for their respective delegations. (Rule 6.C., Rule 6.I & Reg. 4.10)

F. **OUTREACH AND INCLUSION PROGRAM**

1. The Maine Democratic Party is committed to help achieve full participation of those groups of Americans who have historically been explicitly denied the right to vote or who have been subjected to discriminatory and exclusionary practices that have denied them voting rights and full participation in the delegate selection process and other Party meetings, events and elections, along with other groups of Americans who are also underrepresented in Party affairs.

2. As such, the Maine Democratic Party has developed outreach and inclusion programs and is committed to fully implementing the programs so that all persons who wish to participate as Democrats understand they are welcome and encouraged to be a part of the delegate selection process and in the Party at the local, state and national levels.

3. The Maine Democratic Party will make accommodations to facilitate greater participation by people with disabilities. We have consulted with the disabled community in establishing the following minimum standards for accommodations. Outreach meetings, informational workshops and caucuses at all levels of the delegate selection process must be held in fully accessible locations. These materials include, but are not limited to, the Delegate Selection plan, explanations of the process, statement of candidacy forms, and ballots.

#### Biographies of Maine AAC members

**Maulian Dana** is an enrolled Tribal Citizen of the Penobscot Nation, one of the five Indigenous communities of Maine. She serves as their appointed Ambassador and in this position is the representative for the nation in local, state, and federal governments. She also does a lot of work with outreach and education as well as policy development and implementation. Prior to this role she was an elected member of the Tribal Council and a Human Resources Director for Penobscot Indian Nation Enterprises. She has 20 years’ experience in activism and advocacy regarding the removal of harmful and stereotypical “Indian” mascots and has been active in the movement to rename Columbus Day Indigenous Peoples Day. Maulian has a BA in Political Science from the University of Maine and is the proud mother of two daughters.

**Patricia Washburn** is a board member of Maine Disability Voters. A former journalist, she lives in Portland and works from home as a technical writer and Web developer while managing her own mobility issues. She is a former member of the Maine Democratic Committee and the author of “Self-Care for Cats.”

**Julian H. Rogers** is an Atlanta, GA native, who transplanted to Maine in 2011-12. My husband and I decided to locate in Ogunquit because of many practical needs for my business as a traveling antiques dealer.

In 2018, I was elected during caucus as Chair of the Ogunquit Democratic Town Committee and served as a delegate at the state Democratic Convention. During the 2108 election cycle, I worked with the Seacoast Democrats (York, Kittery, Berwick, Eliot, Ogunquit) to secure wins for the strong democrat slate of candidates. Our success was hugely satisfying, especially with the election of Janet Mills as Governor.

I proudly represent the African American and LGBTQ communities in southern Maine.

**Gia Drew** is Program Director at EqualityMaine where she’s been on staff since 2014. Wayne Kinney, the AAC chair, does not meet any of the representation goals, but has worked on delegate selection plans, affirmative action committees, and outreach plans since 2003. Until this cycle, his experience with the delegate selection process was in Oregon, where he served as a DNC member, state rules committee chair, and as a vice chair of the state party.

He retired from 21 years as staff to U.S. Sen. Ron Wyden, D-Oregon, and moved to Farmington, Maine in 2017. He is active with the Franklin County Democrats, and serves the Maine Democratic Party as a member of its rules committee, its executive committee, and as the MDP chair’s parliamentarian.

Indriani (Ina) Demers, a Wiscasset resident and an active member of the Lincoln County Democrats Committee for many years, is a Chinese born in Indonesia, who immigrated to Bath, Maine in 1974. She is a long-time educator, currently an educator in Portland.

A very active member of the Lincoln County Democrats Committee (LCDC), was advised by LCDC’s Chair, Christopher Johnson, to be on the Platform Committee and was elected Vice-Chair of the Platform Committee and was also a delegate at the Convention last year. This year, elected as an MDP Executive Committee Member, she was asked to be on the Affirmative Action Committee.

As an educator, I was always told that we don't get politically active, which was a grave error on my part to believe that!! Now I am mixing actively educating children with politics because I need to educate our children to become politically active to make sure that their future is not being dictated by certain powerful people to oppress their well beings, especially students who speak several languages, other than English

Having cultural competency is important for our children to grow their diversity.
In addition, she is also a very active/involved member of the Maine Education Association (MEA), since 2003, she has also been a member of the Human and Civil Rights and Cultural Affairs Committee, Educational Support Professionals, currently a member of the Resolutions Committee, an MEA Representative Assembly and the National Education Association Representative Assembly as well, representing Maine.

**Representation Goals**

1. The Maine Democratic Party has reviewed 2010 U.S. Census Bureau data, recent population estimates and polling data to identify likely Democratic voters in the 2016 Presidential election, in developing its best estimate of the demographic composition of African Americans, Hispanic/Latin Americans, Native Americans, Asian & Pacific Americans, The LGBTQ+ community, Youth, and People with Disabilities in Maine’s Democratic electorate. These constituency percentages shall be established as inclusion goals for representation in Maine’s National Convention delegation. Attached hereto as “Exhibit #3” is a demographic study and analysis, including the goals for representation. (Rule 6.A) The Maine Democratic Party will also continue making its best efforts to reach out to other underrepresented constituencies for which precise demographic statistics are not available and to ensure their fair representation and active participation. These constituencies include People of other ethnic backgrounds, Unorganized Workers, People with a high school diploma or less, People with disabilities, and People of low and moderate income.
2. The Maine Democratic Party has taken reasonable steps to determine the composition of members of the LGBTQ+ community and people with disabilities in Maine’s Democratic electorate. At the suggestion of the Stonewall Democrats we have incorporated data from a 2012 national Gallup poll, which estimates the LGBTQ+ population of Maine at 8.9%. We then used a figure from the National Election Poll (NEP) conducted by Edison Research in 2012. This poll found that 76% of LGBTQ+ people supported Obama in 2012, and 69% supported Clinton in 2016. Based upon these numbers, we conclude that LGBTQ+ people make up 12% of the Democratic electorate in Maine.

3. The Maine Democratic Party reviewed data supplied by AbilityMaine, a support group for Persons with Disabilities. They claim that 21% of people in Maine have a disability. They also feel this is a low number because of the reticence of some people to self-identify as having a disability. As with the LGBTQ+ community, accurately determining the percentage of people with disabilities within the Democratic electorate is difficult, because available polling (including exit polls, media surveys, and internal polling) do not include crosstabs for respondents who reside in Maine and have a disability.

4. In 2016, 21% of Democratic voters were 36 or younger. In 2018, 18.1% were 36 or younger. That works out to a Youth representation goal of 20%.

5. When selecting the at-large portion of the delegation, the demographic composition of the rest of the delegation (district-level, pledged PLEO, and automatic) shall be compared with the Maine Democratic Party’s goals in order to achieve an at-large selection process that helps to bring about a representative balance. To that end, information regarding priorities shall be provided before voting begins at county caucuses in an effort to educate State Convention delegates about party affirmative action goals and the demographic characteristics of the delegates who have already been chosen.

6. Use of the at-large delegation to achieve the affirmative action goals established by this Plan does not diminish the need for the Maine Democratic Party to conduct outreach activities such as recruitment, education, and training, and to encourage Democrats from all demographic constituencies to participate in all aspects of the process. (Rule 6.A.(3)

Media Plan

The MDP will work with the Affirmative Action Committee and DSC members to publicize the Delegate Selection Plan and educate the public about this process as simply and thoroughly as possible.

We are working to form a speakers’ bureau to present this plan locally. Members of our Affirmative Action Committee and others will speak with members of the public at well-publicized presentations on the DSP. We will visit all over Maine at county parties and larger municipal parties, with an eye to engaging areas of diverse communities.

The MDO will disseminate DSP information as well as important date reminders to print and digital media outlets through this year and next. We have produced simple one-pagers and other materials on an easily accessed web page.

We are working on a communications toolkit to share. This toolkit includes an electronic presentation that will be shown all over the state, with filing forms and other documents on the MDP webpage.

Finally, we are working on a strong social media and digital calendar to inform the public about this process and direct them to online resources outing this process.
